Sultans In Aden

Ariel I. Ahram

Sultans In Aden:

Sultans of Aden Gordon Waterfield,1968 **The Sultan's Yemen** Caesar E. Farah,2002-04-26 In the 19th century when the Ottoman Empire restored direct rule over Yemen the resulting turmoil came to threaten the security of the entire Arabian Peninsula This book describes the various military campaigns to regain control over Yemen surveying the increased foreign encroachments by the British in the south and the Italians through the Red Sea and the revolts of the Zaidi Imams and Isma ili tribes Using previously unknown archival material this history of political rivalries and challenges confronting Ottoman Yemen in the 19th century should prove useful for scholars and students *Arabia Without Sultans* Fred Halliday,2013-10-04 Fred Halliday writes The Arab Middle East is probably the most misunderstood of all regions the one with the longest history of contact with the west yet it is probably the one least understood Part of the misunderstanding is due to the romantic mythology that has long appeared to shroud the deserts of the peninsula Where old myths have broken down new ones have absorbed them or taken their place Now the Sheikh of Arabia has stepped down from his camel Instead through the delusive lens of the energy crisis he is seen to be riding a Cadillac and squeezing the powerless Western consumer of oil First published in the 1970s Arabia Without Sultans retains its validity for the present as it analyses the Arabian peninsula and Iran within the global context of western post colonial strategy and the political economy of oil Halliday offers a thorough study of the history the politi and the economi of this region in an ambitious encompassing and entertaining manner This classic work remains indispensable for students academi and all those who wish to have a greater understanding of the Arabian peninsula A well documented work written by an author who knows the language of the area Maxime Rodinson Halliday provides an unusual view point and a well documented description of the history of these states Middle East International Anyone interested in this area will want to read this International Affairs A most valuable account of the developments which have taken place in the Arab Gulf over the last hundred years Tariq Ali *Islam and Political Development in Turkey* Binnaz Toprak,1981-01-01 **Break all the Borders** Ariel I. Ahram,2019-01-09 Since 2011 civil wars and state failure have wracked the Arab world underlying the misalignment between national identity and political borders In Break all the Borders Ariel I Ahram examines the separatist movements that aimed to remake those borders and create new independent states With detailed studies of the Islamic State in Iraq and Syria the federalists in eastern Libya the southern resistance in Yemen and Kurdish nationalist parties Ahram explains how separatists captured territory and handled the tasks of rebel governance including managing oil exports electricity grids and irrigation networks Ahram emphasizes that the separatism arose not just as an opportunistic response to state collapse Rather separatists drew inspiration from the legacy of Woodrow Wilson and ideal of self determination They sought to reinstate political autonomy that had been lost during the early and mid twentieth century Speaking to the international community separatist promised a more just and stable world order In Yemen Syria Iraq and Libya they served as key allies against radical Islamic groups Yet their hopes for

international recognition have gone unfulfilled Separatism is symptomatic of the contradictions in sovereignty and statehood in the Arab world Finding ways to integrate instead of eliminate separatist movements may be critical for rebuilding regional order

Counter-Narratives M. Al-Rasheed,R. Vitalis,2004-03-17 Saudi Arabia and Yemen are two countries of crucial importance in the Middle East and yet our knowledge about them is highly limited while typical ways of looking at the histories of these countries have impeded understanding Counter Narratives brings together a group of leading scholars of the Middle East using new theoretical and methodological approaches to cross examine standard stories whether as told by Westerners or by Saudis and Yemenis and these are found wanting The authors assess how grand historical narratives such as those produced by states and colonial powers are currently challenged by multiple historical actors a process which generates alternative narratives about identity the state and society

On the Edge of Empire Linda Boxberger,2012-02-01 Offering a new perspective on a little studied society On the Edge of Empire examines the gradual incorporation of the Qu ayti and Kathiri sultanates of Hadhramawt in the southern Arabian Peninsula into the British Empire during the late nineteenth and early twentieth centuries Boxberger shows how changes in political and social institutions fostered contestation at all levels from rivalries over territory and political power to heated debates over religious and educational reform to efforts to regulate wedding customs and women s dress Based on extensive fieldwork this ethnographic and historical narrative draws upon a wide variety of sources including British documents and accounts local documents manuscripts and rare printed materials extensive interviews with Hadhrami elders from all walks of life and proverbs poetry and tribal lore Clearly written and richly textured this book is a welcome contribution to the study of Yemen the historical ethnography of the Middle East and the literature on the Islamic societies of the Indian Ocean littoral

Accounts and Papers of the House of Commons Great Britain. Parliament. House of Commons,1874 *The Description of the World* Marco Polo,2016-02-11 Composed in a prison cell in 1298 by Venetian merchant Marco Polo and Arthurian romance writer Rustichello of Pisa The Description of the World relates Polo s experiences in Asia and at the court of Qubilai the Great Khan of the Mongol Empire In addition to a new translation based on the Franco Italian F manuscript of Polo s text this edition includes genealogies of the Mongol rulers and nine maps of Polo s journey as well as thorough annotation and an extensive bibliography

Accounts and Papers Great Britain. Parliament. House of Lords,1839
