Correspondence of the Kings of Ur Piotr Michalowski, 2011-06-30 The Correspondence of the Kings of Ur is a collection of literary letters between the Ur III monarchs and their high officials at the end of the third millennium B C The letters cover topics of royal authority and proper governance defense of frontier regions and the ultimate disintegration of the empire and represent the largest corpus of Sumerian prose literature we possess This long-awaited edition based on extensive collation

of almost all extant manuscripts numbering more than a hundred includes detailed historical and literary analyses and copious philological commentary It entirely supersedes the Michalowski s oft cited unpublished Yale dissertation of 1976 The edition is accompanied by an extensive analysis of the place of the letters in early second millennium schooling treating the letters as literature followed by chapters that contextualize the epistolary material within historical and historiographic contexts utilizing many Sumerian archival literary and historical sources The main objective here is to try to navigate the complex issues of authenticity authority and fiction that arise from the study of these literary artifacts In addition Michalowski offers new hypotheses about many aspects of late third millennium history including essays on military history and strategy on frontiers on the nature and putative character of nomadism at the time as well as a long chapter on the role of a people designated as Amorites The included DVD includes various photographs at high resolution of most of the tablets included in the study

Literature as Politics, Politics as Literature David S. Vanderhooft, Abraham Winitzer, 2013-11-01 This volume in celebration of Peter Machinist Hancock Professor of Hebrew and Other Oriental Languages at Harvard University includes twenty eight illuminating essays on ancient Near Eastern history and literature which focus especially on the intersection of these fields Contributors include one of Machinist s teachers several of his students and numerous colleagues and friends These essays probe topics for which Machinist s work has often set new standards And in the spirit of the honoree and his interests these comparative studies encompass Babel Bibel and more In them Assyriologists contend with biblical cruxes and biblicists engage Assyriological research while classicists and Hittitologists participate with considerations of their respective disciplines within a broad cross cultural context The volume is a must for anyone committed to the ongoing comparative study of the ancient Near East and within that framework the historical study of the Hebrew Bible

Sumerological Studies In Honor Of Thorkild Jacobsen On His Seventieth Birthday June 7 1974: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
