Summer Comes Slowly:

Summer Comes Slowly Rosemary Pollock, 1976

On the Slow Train Again Michael Williams, 2011-04-07 Michael Williams has spent the past year travelling along the fascinating rail byways of Britain for this new collection of journeys Here is the train to the end of the world running for more than four splendid hours through lake loch and moorland from Inverness to Wick the most northerly town in Britain He discovers a perfect country branch line in London s commuterland and travels on one of the slowest services in the land along the shores of the lovely Dovey estuary to the far west of Wales He takes the stopping train across the Pennines on a line with so few services that its glorious scenery is a secret known only to the regulars Here too is the Bittern Line in Norfolk and the Tarka Line in North Devon as well as the little branch line to the fishing port of Looe in Cornwall rescued from closure in the 1960s and now celebrating its 150th anniversary taking families on holiday to the seaside From the most luxurious and historic aboard the Orient Express to the most futuristic on the driverless trains of London s Docklands Light Railway here is a unique travel companion celebrating the treasures of our railway heritage from one of Britain s most knowledgeable railway writers

A Clock Without Hands Guy

Burt, 2007-12-18 I want to turn back the hands on the clock and change it all make it different three friends who meet up by chance in an old city and share a beer and laugh at old stories and jokes But it wasn t like that and the clock has no hands so I can t turn them back p 171 Alex Carlise has returned to a place he thought he d never see again outside of his dreams As he walks the ochre dusted road to the house in which he grew up the memories of his young life in a small Italian town push all other thoughts out of his head thoughts about the major exhibition of his artwork opening soon in London thoughts of the myriad things he should be doing in preparation everything subsides to make room for the warm flood of a time long past When he opens the door to the now deserted house he is suddenly seven again There is Jamie his first friend his best friend Anna his first love and the delicious days they spent exploring the valley and swimming in the cerulean blue Mediterranean Sea It all comes back to Alex in a way he can neither control nor discern But the memories are insistent demanding Soon Alex loses entire hours to the past overwhelmed by the haunting memories of a youth turned tragic Alex remembers the day he Jamie and Anna went to their favorite place an abandoned church far up in the hills There they stumbled upon a man injured and sick From this discovery a series of events tumbled forth that would change them all forever Alex now realizes that he must confront the truth about himself about the echoes of the past that still haunt him and about the friends whose legacy has meant only devastation Guy Burt s vision of youth is piercingly accurate and his sense of how time can play tricks on the mind is startling Haunting eerie and remarkably assured The Clock Without Hands will resonate with the child that hides inside your own memories
