Summer Ghost:

Summer Ghost (Light Novel) loundraw,Otsuichi,2023-08-08 They say that if you set off fireworks at a certain abandoned airfield outside of town on a midsummer s night the spirit of a young woman who took her own life might appear before you Three teens from different high schools all interested in this local urban legend come together on one fateful evening when the boundary between life and death grows thin *Swallow Flights* Louise Chandler Moulton,1892

Summer's Last Will and Testament Hazlitt,1874 Poems Louise Chandler Moulton,1877 **The Home of the Wild Rose** Floyd Dalton Raze,1911 **Who Killed William Shakespeare?** Simon Andrew Stirling,2013-08-05 William Shakespeare lived in violent times his death passed without comment By the time he was adopted as the national poet of England the details of his life had been concealed He had become an invisible man the humble Warwickshire lad who entertained royalty and then faded into obscurity But his story has been carefully manipulated In reality he was a dissident whose works were highly critical of the regimes of Elizabeth I and James I *Who Killed William Shakespeare* examines the means motive and the opportunity that led to his murder and explains why Will Shakespeare had to be stopped From forensic analysis of his death mask to the hunt for his missing skull the circumstances of Shakespeare s death are reconstructed and his life reconsidered in the light of fresh discoveries What emerges is a portrait of a genius who spoke his mind and was silenced by his greatest literary rival *Peony Lantern Tales* Fumiko Joo,2025-03-31 The Story of the Peony Lantern by the Chinese author Qu You 1347 1433 traveled across lingual cultural and geopolitical borders in early modern East Asia The original tale set in fourteenth century Ningbo China is one of ghostly seduction and murder but it continued to transform as it traveled from city to city and in its encounters with characters from other texts publishing networks and countless readers in the Sinosphere Fumiko J o closely analyzes the cultural and societal structures that framed how a seductive female ghost was reconceived in texts sites and objects both locally and trans regionally The myriad transformations of The Peony Lantern explain the context and the structures of knowledge production and practice where depictions of female sexuality death and morality emerged and were remade J o incorporates a breadth of sources from local gazetteers to theater ephemera to shed light on the cultural life of objects the collective memory of vanished sites and the public s desire to encounter the phantom She examines the historical moments and sociocultural spaces where Peony Lantern narratives and their writers thrived following the tale as it moved from Hangzhou literati in the twelfth to fourteenth centuries to an early nineteenth century group of Edo playwrights kabuki theater producers and publishers Readers will welcome J o s exploration of the tale s transformation by local scholars of Ningbo in the eighteenth century and the female classical writer Arakida Reijo 1732 1806 and her Ise literary circle The key sites of literary activity for the stories according to J o s illuminating analyses are not modern nation states but networks of literati connected by class gender and regional affinities This volume includes complete translations of Qu You s original Peony Lantern and two later adaptations The Double Fish Fan Pendant by Xiong Long Feng
