The Shaman of the Alligewi Michael R. Hall,2014-06-16 Long before any European ever set foot in North America a young boy was about to enter manhood in his powerful tribe located in the Ohio Valley It was 250 A D There was only one problem the boy had been determined by tribal members to be the cause of bad luck His efforts to redeem himself by participating in dangerous tribal ceremonies ultimately backfire making matters much much worse With his very life now at stake he is magically reborn and transformed against his will into a shamans apprentice He starts the process of learning his new role with his new family and gradually begins to understand the magic in all of nature and in the parallel universe of the spirit world He is acquiring the profound and crucial powers of a shaman of a mighty people but also the humility and responsibility that comes with such power The story is replete with descriptions of the daily activities of an early eastern woodland culture together with the native plant and wild animal interactions that often occurred to a people living in such close proximity to nature on a daily basis

An Encyclopedia of Shamanism Volume 2 Christina Pratt,2007-08-01 Shamanism can be defined as the practice of initiated shamans who are distinguished by their mastery of a range of altered states of consciousness Shamanism arises from the actions the shaman takes in non ordinary reality and the results of those actions in ordinary reality It is not a religion yet it demands spiritual discipline and personal sacrifice from the mature shaman who seeks the highest stages of mystical development Handbook of the Indians of California Alfred Louis Kroeber,1925 Monumental work includes demographics linguistic relations social structures folkways religion material culture and more Surveys of the Yurok Pomo Maidu Yokuts and Mohave receiving most attention **In the Shadow of the Shaman** ,1988 In the Shadow of the Shaman is about the importance of connection to the deepest power of Nature It tells you how to use natural objects from the shamanic worlds Plant Mineral Animal and Human to help make this personal connection with Earth energies In doing this you are able to reconnect with the center of your own power Because the shamanic path is such a personal one often not able to be shared this book has been designed so that it has the experiential quality of the shamanic journey traditions The author is also careful to present the information in a clear

organized manner In doing so she blends the deeply personal wisdom of a shamanic path with the shared community wisdom of a medicine path This represents an ideal for Aquarian shamanism But this book is not simply about shamanism it shows through techniques exercises meditations and rituals how anyone can become a shaman You will learn how to attune yourself with the shamanic worlds of Nature and with the Higher Self for self healing and self empowerment You will learn to develop shamanic balance to become the living tree and you will do this by using such tools as stones crystals feathers masks drums and incense Book jacket *The Shaman's Daughter* David Rains, 2005-02 A collection of stories from the Appalachian Mountains of Kentucky *The Shaman's Daughter* touches on everything from baptisms and funerals to love and hate no subject is off limits You can practically hear the Southern accent of the characters as author David S Rains provides an uncensored look into his life And the hilarity ensues whether it's Mama hitting a neighbor over the head with an old wagon axle David visiting his first whorehouse or Mike blowing up his grandmother while trying to cure a dog of mange The darkly comical stories in *The Shaman's Daughter* will have you laughing until you cry The dog was running in larger and larger circles as the fuse burned shorter and shorter Suddenly old Sarge turned and made a beeline for the house to get under the porch where he always slept He's going to the house he's going to get under the porch Good Lord almighty Granny is on the porch by herself Good God Granny Granny get away Mike screamed as loud as he could holler Granny of course couldn't hear anything and especially from so far away Plus she was tied up Granny just kept rocking and talking to herself from the short story *Granny and Old Sarge*
