John Felstiner, 2009-04-01 In forty brief and lucid chapters Felstiner presents those voices that have most strongly spoken to and for the natural world Poets from the Romantics through Whitman and Dickinson to Elizabeth Bishop and Gary Snyder have helped us envision such details as ocean winds eroding and rebuilding dunes in the same breath wild deer freezing in our presence and a person carving initials on a still living stranded whale *Summers* Margot Peters, 2011-04-12 In 1948 a sixteen year old boy and girl meet briefly but fatally on a beach The boy is so stricken by the girl that he writes her begging her to answer What harm can come from writing letters he asks The girl replies SUMMERS is the story of this boy and girl based entirely on their letters which span the years 1948 to 1961 These letters are often funny sometimes sad often frustrated and angry Underneath they are always tender and longing Finally they are loving If bitter sweet love is your thing read on *100 Poems to Break Your Heart* Edward Hirsch, 2021 We are not so much diminished as enlarged by grief by our refusal to vanish or to let others vanish without leaving a verbal record The poet is one who will not be reconciled who is determined to leave a trace in words to transform oceanic depths of feeling into the faithful nuances of art Poetry companions us Poems are written in solitude but they reach out to others which makes poetry a social act It rises out of one solitude to meet another Poems of terrible sadness and loss trouble and challenge us but they also make us feel less alone and more connected Our own desolations become more recognizable to us more articulate something shared We become less isolated in our sorrow and thus are befriended by the words of another There is something ennobling in grief that is compacted expressed and transfigured into poetry Book jacket **Memoirs of the American Folk-lore Society** ,1927 **Modern American Poetry** Louis Untermeyer, 1925 The Plug Next Door 4 Sol, 2017-06-21 In Part 3 of The Plug Next Door you found out that God has another daughter named Summer However her life isn t what one would imagine for someone who has a rich plug for a father The little Chicago girl is living in poverty helping her adoptive mother clean homes in order to make ends meet Still at the tender age of 17 she s just like any other teenaged girl She s never been in any real trouble makes good grades in school and has a best friend who rides for her She s even headed off to college soon Her world seems to be moving along on track until a blast from the past walks back into the picture Loso an effervescent hustler with a charming smile lavish cars and endless money quickly wins the young girl s heart He s the perfect guy spoils her to no end and upgrades her life Everything about him drives Summer crazy but she s not the only girl on his team He s been known to get around and there is one other woman that he can t seem to shake no matter how hard he tries If Loso s promiscuous ways aren t enough to tear him and Summer apart there are many other obstacles

standing in the way Their age difference betrayal in the streets and then there s Summer s father God What does the future hold for their fairytale relationship when Loso finds out that he s dating his plug s daughter Please note if you do not read this installment you will be confused in part 5 This story will fill particular holes from part 3 i e How Sloan got pregnant the circumstances behind Summer being given up for adoption the start of Young and Erin s affair as well as what God did on the streets when he was in Chicago
