Summits Glory:

The Draw of the Alps Richard McClelland, 2023-10-24 The Alps have exerted a hold over the German cultural imagination throughout the modern period enthralling writers artists philosophers scientists and tourists alike The Draw of the Alps interrogates the dynamics of this fascination Though philosophical and aesthetic responses to Alpine space have shifted over time the Alps continue to captivate at an individual and collective level This has resulted in myriad cultural engagements with Alpine space as this interdisciplinary volume attests Literature photography and philosophy continue to engage with the Alps as a place in which humans pursue their cognitive and aesthetic limits At the same time individuals engage physically with the alpine environment whether as visitors through the well established leisure industry as enthusiasts of extreme sports or as residents who feel the acute end of social and environmental change Taking a transnational view of Alpine space the volume demonstrates that the Alps are not geographically peripheral to the nation state but are a vibrant locus of modern cultural production As The Draw of the Alps attests the Alps are nothing less than a crucible in which understandings of what it means to be human have been forged *The Methodist pulpit* , *Golden Thoughts of Mother, Home & Heaven* Gene Fedele, 2003 Golden Thoughts of Mother Home Heaven Brings the best of timeless prose and poetry into your home This classic volume inspires instructs and imparts encouragement to readers of all ages Let these eternal truths and enduring gems of wisdom fill your heart and mind Book jacket Glory's Child Paul Ellis, 2018-07-31 The year is 1968 and the Vietnam War is reaching its nadir Thomas Bishop like so many other young men of this generation faces terrible decisions forced on him by foreign policy of the American government Honor bound to defend America from communism Thomas trains to become a Marine Corps pilot to avoid a walking tour in the jungles of Vietnam Tran Thien Don is a simple peasant boy thrust into the American War following a violent and life changing encounter with soldiers from Saigon The struggle to preserve and maintain Vietnamese culture through a history of invasion from China Japan France and now the inexplicable devastation from America has ignited a fire in Don to fight for his country's unification while seeking the opportunity for revenge on his personal enemies Oliver Lacey is a young man who is an accidental Marine inductee facing racism in the ranks in Vietnam missing a civil rights movement at home and experiencing his own awakening about his place in the world On the streets of the United States and in universities around the world the war rages Few escape its reality as the nightly news sends images from Vietnam into homes during dinner This tragic and unrelenting supertime carnage sparks a collective awakening and a revolution of social change is born Glory's Child is a story of the death of American idealism From multiple perspectives the horrifying truth of war settles in around its characters It is a gripping tale of heartbreak survival death and a thorough examination of the philosophy and politics surrounding the execution of the American War in Vietnam Four Mountains Michael Niebauer, 2025-06-11 Encounter Jesus on every page of the Bible Encounter Jesus on every page Read the Bible holistically and simply Learn from the early church How can war
