Provides a comprehensive chronological narrative of the history of the British Empire between 1815 and 1914 together with a more theoretical and reflective concluding chapter thus giving an overview of British policy and action which takes account of the many factors underlying British expansion *Britain's Imperial Century, 1815-1914* R. Hyam,2002-09-23 The

undisputed best introduction to the history of the world wide pattern of British activity in the nineteenth century embracing its expansive spirit as well as its formal territorial empire The dynamics of this extraordinary enterprise are considered broadly the high political concerns of strategy and international geopolitics are analyzed as well as the economic dimension missionary activity and racial attitudes together with a wide range of cultural aspects including sport and the pursuit of sexual opportunity Nor is the personal contribution of some of the leading Victorian figures neglected **Winding up the**

British Empire in the Pacific Islands W. David McIntyre,2016-11-24 Little has been written about when how and why the British Government changed its mind about giving independence to the Pacific Islands Using recently opened archives *Winding Up the British Empire in the Pacific Islands* gives the first detailed account of this event As Britain began to dissolve the Empire in Asia in the aftermath of the Second World War it announced that there were some countries that were so small remote and lacking in resources that they could never become independent states However between 1970 and 1980 there was a rapid about turn Accelerated decolonization suddenly became the order of the day Here was the death warrant of the Empire and hastily arranged independence ceremonies were performed for six new states Tonga Fiji Solomon Islands Tuvalu Kiribati and Vanuatu The rise of anti imperialist pressures in the United Nations had a major role in this change in policy as did the pioneering examples marked by the release of Western Samoa by New Zealand in 1962 and Nauru by Australia in 1968 The tenacity of Pacific Islanders in maintaining their cultures was in contrast to more strident Afro Asia nationalisms The closing of the Colonial Office by merger with the Commonwealth Relations Office in 1966 followed by the joining of the Commonwealth and Foreign Offices in 1968 became a major turning point in Britain's relations with the Islands In place of long nurtured traditions of trusteeship for indigenous populations that had evolved in the Colonial Office the new Foreign Commonwealth Office concentrated on fostering British interests which came to mean reducing distant commitments and focussing on the Atlantic world and Europe **Fiction and Faction in the Malay World** Mohamad Rashidi

Pakri,2013-02-14 This book offers a variety of essays and perspectives on some of the foreigners and traders who came to the Malay World and wrote fiction and faction writing that portrays real people or events in a dramatised manner during their sojourn regardless of whether they continued to stay in the region returned to their home country or migrated to another country The essays tend to cross generic and disciplinary boundaries as the contributors of this book are drawn from various fields within the arts and humanities including history geography language and literature and translation All of them however
