Why do you not come to Church on Sunday morning as well as Sunday afternoon? or, a Few words of remonstrance and advice addressed more especially to the poor women of country parishes Robert Joseph BUDDICOM, 1841 *Sunday Morning in Leather Lane ... some account of its Sunday Fair. (Reprinted from the "Church Review.")*. London LEATHER LANE, 1866 **Sunday Morning Memories** Don

Reid, 2004-01-01 Growing up in a small Protestant church in a typical small town may sound quite dull to some folks but most churches of this sort have plenty of character and characters to give them some excitement If you've ever attended a church like this you have probably encountered some people and situations just like the ones Don Reid describes in his humorous sentimental and very nostalgic book *Sunday Morning Memories* Don Reid in his wonderfully witty and down to earth way Runs the gamut of subjects from covered dish suppers to family pews to revivals to Vacation Bible School Reminisces about stray radio signals coming through the PA system using Sunday school money for purposes other than the collection plate and skipping church on Sunday night to go to the movies Reflects on candlelight services on Christmas Eve Easter Sunrise services weddings and funerals Reminds us to appreciate our church family our different denominations our church traditions and our Lord Don's reminiscent stories will remind you of how really wonderful it is to have a church family to help make your own *Sunday Morning Memories*

The Politics of Persuasion Anthony R. DiMaggio, 2017-02-21 Tracking the effects of media content on the public is a difficult endeavor and media effects vary on a subject to subject basis To address this challenge *The Politics of Persuasion* employs a multifaceted mixed method approach to studying mass media and public attitudes Anthony R DiMaggio analyzes more than a dozen case studies covering US domestic economic policy and examines a wide range of theories of how bias operates in mass media with regard to coverage of these issues While some research claims that journalists are overly negative and biased against government officials some reveals that journalists favor citizens groups Still other studies contend there is a liberal bias in the media a progovernment bias or a bias in favor of advertisers and business interests Through his analysis DiMaggio is the first to systematically examine all of these competing

interpretations He concludes that reporters tailor stories to corporate and government interests but argues that the ability to manufacture consent from the public in favor of these elite views is far from guaranteed According to DiMaggio citizens often make use of their own personal experiences and prior attitudes to challenge official narratives *Parliamentary Papers*
