

"Wholly satisfying...
Sunstroke catches life on the wing and pins it,
fiercely struggling, to the page."

Sunstroke And Other Stories:

Sunstroke and Other Stories Tessa Hadley, 2007-07-24 A Picador Paperback Original Tessa Hadley's stories trace the currents of desire desperation and mischief that lie hidden inside domestic relationships A mother hears her son's confession that he's cheating on his girlfriend a student falls in love with a professor and initiates an affair with a man who looks just like him A boy on a seaside vacation realizes that a grown up woman is pressing dangerously close In Tessa Hadley's **Sunstroke and Other Stories** everyone conspires to hold the loving and stable surface of family life together as old secrets and new appetites threaten to blow it apart

Sunstroke and Other Stories Susan Choi, 1995 **The Song of Hyacinth, and Other Stories** John Oxenham, 1908 Sunstroke and Other Stories Ian Watson, 1982 **Deathhunter** Ian

Watson, 2011-09-29 The regions that have survived the holocaust in Watson's new novel have largely transformed themselves from prewar violence into a peaceful utopia without either conflict or art In place of belief in a religious afterlife the old and ailing accept euthanasia at Houses of Death where priestlike guides counsel them One of these guides is Jim Todhunter who pursues research into the nature of death despite official censure When he is assigned to guide that rarity in the new world a murderer he finds a natural ally in the obsessive Nathan Weinberger himself an ex guide As usual with Watson the initial impression of a green and pleasant land is revealed to be only one facet of a more complex and disturbing reality

Queenmagic, Kingmagic Ian Watson, 2011-09-29 In another world somewhere in space and time two countries Bellogard and Chorny are locked in perpetual war conducted by magic Each of the main members of the two countries courts king queen prince bishop knight and squire has their own form of magic and special ways of moving magically A war may continue for centuries until one side succeeds in killing the other side's king at which point the whole world vanishes only to reappear and have the cycle begin again Pedino is a young Bellogardian who becomes the queen's squire and as part of his training is sent into a seedier part of the city to uncover a Chornian spy During his adventures he meets and falls in love with a whore Sara who turns out to be a Chornian bishop's squire Pedino succeeds in killing the other Chornian bishop a remarkable achievement for a mere squire but in the manoeuvres which follow Chorny proves to have outwitted its rival and Pedino's whole world is threatened with extinction There have been many stories modelled on chess games but none so ingenious and enjoyable as Ian Watson's latest novel And as one would expect from Watson the story of Bellogard and Chorny is only the beginning When Pedino and Sara manage to escape the destruction of their universe they find themselves in a series of even more bizarre worlds operating under still stranger rules as they seek to discover the purpose of their existence and the meaning of their universe Queenmagic Kingmagic is Ian Watson in sparkling exuberant form The Gardens of Delight Ian Watson, 2011-09-29 In The Gardens of Delight Ian Watson boldly lands a starship within the hallucinatory terrain of Hieronymus Bosch's painting The Garden of Earthly Delights a medieval masterpiece which enchants and horrifies all who see it for the picture shows what looks to be a paradise of pleasure yet it also displays a terrible hell of torments And so the

ship's psychologist Sean Athlone and two women companions explore the luxurious landscape of giant fruits and birds and strange towers and naked celebrating people in quest of the godlike alien intelligence that has transformed a planet according to Bosch's vision populating it with the colonists from a previous starship **Oracle** Ian Watson, 2011-09-29 When Tom Ryan stops his car late at night on a dark road for a man dressed as a Roman centurion his first thought is that he's picked up one of those amateur re-enactors but the man Marcus Appius Silvanus appears to speak only Latin He insists the year is AD60 and that the British Queen is Boudicca and that he and his men of the Fourteenth Gemina are in hot pursuit of her Tom and his sister Mary shelter the Roman but inadvertently attract the attention of an unscrupulous journalist He's not the only one interested in the Ryans an IRA terrorist who was once Mary's lover in Northern Ireland tracks her down to tell her the plane crash which killed her parents twenty years ago was caused by the British security services Deep in the English countryside those same servants of the state are busy exploiting the theories of a young prodigy to build Oracle a probe that can view the past and they hope the future so that threats to national security can be stifled before they occur Under Heaven's Bridge Ian Watson, Michael Bishop, 2011-09-29 A multinational expedition has landed on the planet Onogoro a cold and dour world circling one star of a binary pair Their objective is to investigate a strange alien race known to the human visitors as the Kybers These aliens dwelling in a great network of ruined palaces are partly biological creatures and partly machines with the ability to switch themselves off at will Expedition scientists discover that the Kyber's sun is soon to blaze up in a nova yet the Kybers are not alarmed **The Fire Worm** Ian Watson, 2011-09-29 Psychiatrist John Cunningham is secretly also Jack Cannon author of popular horror novels Under hypnotic regression John's patient Tony reveals a bizarre and horrifying tale of a past life lived on Tyneside in the 1950s involving two schoolboys and a weird creature with paranormal powers lurking in caves beneath Tynemouth Castle As John regresses Tony through earlier lives as far back as the 14th century it begins to seem that the local legend captured in folksong of a malevolent Lambton Worm may have had a basis in fact that it was in fact the salamander of alchemical belief summoned by an alchemist known as Raymond Lully and possibly still locked below Tynemouth Castle And while John Cunningham is exploring Tony's multiple personalities he begins to experience personality problems of his own as Jack Cannon begins to assert his own individuality
