Quinn,Robert E. Quinn,2015-07-31 Just as the Wright Brothers combined science and practice to finally realize the dream of flight Ryan and Robert Quinn combine research and personal experience to demonstrate how to reach a psychological state that elevates us and those around us to greater heights of achievement integrity openness and empathy It s the psychological equivalent of aerodynamic lift and it is the fundamental state of leadership This book draws on recent advances in positive psychology and organizational science to describe four questions that when asked in any situation will help us experience the fundamental state of leadership Engaging personal stories illustrate how the Quinns and others have applied these concepts at work at home and in the community
