Gunfight at the O.K. Corral: A Ghost Story Drac Von Stoller, 2024-06-05 Sarah and Mark planned a trip to visit the famous Gunfight at the O.K. Corral and watch the reenactment of the gunfight between the lawmen and the outlaw cowboys Little did they know that this trip would be one that they would remember for the rest of their lives The moment they arrived at Tombstone and got out of the car and stepped foot on the abandoned streets they felt as though they weren't alone Immediately ghostly figures were in hot pursuit and if that wasn't enough to make them run back to their car and head back home they noticed something even more unsettling The town itself seemed to be changing around them the buildings flickering between their modern day facades and their 19th century appearances It was as if the very fabric of time was unraveling pulled apart by the spectral violence that had erupted in their midst Mark look Sarah gasped pointing at the Crystal Palace Saloon For a moment it stood in its original glory gas lamps flickering in the windows the sounds of a player piano and raucous laughter spilling out into the night Then it shifted back to its restored state a silent monument to a bygone era It's like the whole town is being pulled back in time Mark whispered his voice filled with awe and fear We're not just fighting ghosts we're fighting history itself They ducked into an alleyway to catch their breath the moonlight casting long twisted shadows that seemed to reach out for them like grasping fingers Sarah leaned against the wall her heart pounding when she felt something wet and warm on her hand She looked down and let out a choked scream The wall was bleeding Oh God oh God she whimpered pulling her hand away The bricks were oozing a dark viscous liquid that smelled of iron and gunpowder Mark this place it's soaked in blood It's in the very stones Mark took her hand his face grim The violence the hatred it's seeped into everything That's why the ghosts can't rest They're part of Tombstone itself A cold laugh echoed through the alley making them both freeze From the shadows emerged the spectral figure of Doc Holliday his face a mask of sardonic amusement Well ain't you two just the smartest little historians he drawled his ghostly voice carrying the hint of a Southern accent You're right of course This town this forsaken patch of desert it's a character in our little drama just as much as any of us Sarah found her voice though it trembled You were a doctor once weren't you You took an oath to preserve life How can you be part of this this endless slaughter Holliday's smile turned bitter Preserve life My dear life preserved me trapped me in a body racked with consumption in a world that only valued a man by how fast he could draw I came west to die with my boots on and by God I did His figure flickered and for a moment they saw him as he must have been in life pale wracked with coughs yet his eyes burning with a fierce vitality But you did more than die Mark said You killed You the Earps the Cowboys you turned this place into a symbol of violence Violence Holliday spat Boy you don't know the half of it The O.K. Corral was just the spark After that it was a war Morgan Earp shot in the back Virgil his arm shattered Wyatt riding out with a vendetta posse leaving a trail of corpses from here to the Mexican border
