The Haigerloch Project:

The Haigerloch Project Ib Melchior, 2014-07-01 It was World War II's master weapon and Hitler had it first As Germany crumbled Hitler feverishly raged against final defeat Every qualified citizen in the Reich was committed to developing an atomic bomb In 1945 they almost succeeded The code name was the Haigerloch Project The shock a second thriller of a brilliant scientist and a deadly spy threat to the most crucial Allied mission of the war The Haigerloch Project is a heart pounding race against time that explodes with more page searing excitement than *The Eagle Has Landed* [The Haigerloch Project](#) Ib Melchior, 2011 In early 1945 with the Third Reich on the brink of collapse a group of German scientists work to complete a secret project which could reduce London and Washington to a heap of radio active rubble **Farm Hall and the German Atomic Project of World War II** David C. Cassidy, 2017-09-05 This gripping book brings back to life the events surrounding the internment of ten German Nuclear Scientists immediately after World War II It is also an eye witness account of the dawning of the nuclear age with the dialogue and narrative spanning the period before during and after atomic bombs were dropped on Japan at the end of the war This pivotal historical episode is conveyed along with the emotions as well as the facts through drama historical narrative and photographs of the captive German nuclear scientists who included Werner Heisenberg Otto Hahn and Max von Laue The unique story that unfolds in the play is based on secretly recorded transcripts of the scientists actual conversations at Farm Hall together with related documents and photographs

The History and Science of the Manhattan Project Bruce Cameron Reed, 2019-02-19 The development of atomic bombs under the auspices of the U S Army's Manhattan Project during World War II is considered to be the outstanding news story of the twentieth century In this book a physicist and expert on the history of the Project presents a comprehensive overview of this momentous achievement The first three chapters cover the history of nuclear physics from the discovery of radioactivity to the discovery of fission and would be ideal for instructors of a sophomore level Modern Physics course Student level exercises at the ends of the chapters are accompanied by answers Chapter 7 covers the physics of first generation fission weapons at a similar level again accompanied by exercises and answers For the interested layman and for non science students and instructors the book includes extensive qualitative material on the history organization implementation and results of the Manhattan Project and the Hiroshima and Nagasaki bombing missions The reader also learns about the legacy of the Project as reflected in the current world stockpiles of nuclear weapons This second edition contains important revisions and additions including a new chapter on the German atomic bomb program and new sections on British and Canadian contributions to the Manhattan project and on feed materials Several other sections have been expanded reader feedback has been helpful in introducing minor corrections and improved explanations and last but not least the second edition includes a detailed index [The Watchdogs of Abaddon](#) Ib Melchior, 2014-07-01 Hitler's minions live in Los Angeles A brutal street killing A tough LA cop A faded snapshot A poster adorned with a swastika A cruel nightmare of

bloody intrigue A sensational thriller violent as a burst of machine gun fire Hitler s evil is reborn The Third Reich will rise again Sleeper Agent Ib Melchior,2014-07-01 Is another Hitler rising to power Tom Jaeger s war with the Nazis began the day World War II ended During those last days in the bunker Hitler and Bormann created a plan that would perpetuate the cause of Nazism long after they were dead A small band of highly trained agents were to be planted all over the world someday to come together and bring final glory to the Fatherland Rudolph Kessler was one of those sleeper agents He was letter perfect in English incredibly smart and highly resourceful All he had to do was get through the enemy lines once the war was over make his way to the United States and then prepare incognito for the precise moment when the worldwide Fascist movement would once again rear its ugly head And only one man stood in his way Tom Jaeger Only Tom understood the lethal far ranging depths of this daring plan And he couldn t get anyone to listen except for one woman *The Courier* Dahn Batchelor,2017-06-02 Reading about history can be boring at times but not when it is incorporated into a novel such as *The Courier* The plot of this story is about the attempt to bring to the Americans information about the Nazis secret endeavors to produce an atomic bomb and the attempts of the Nazis to prevent the secret from falling into the hands of the Americans This story is encompassed by actual historical events in which those events told in this story occurred prior to during and after the Second World War in Europe The locales in this story are in Belgium Germany Poland the Netherlands Switzerland and the United States however the stories in those locales aren t necessarily told in that order The main fictional characters in this book are an American navy captain a Dutch family and a German gestapo agent Aside from several minor fictional characters the other people that are described in this book were real people The events described with reference to the real people depicted in this book actually occurred Think of this book as a promenade into the events of the last century when one of the greatest wars in history was initiated by Adolf Hitler **Melchior À La Carte** Ib Melchior,2014-07-01 With a life as wild as his fiction the award winning sci fi screenwriter and novelist serves up an addictive anthology of short stories Andrew Kaplan author of the *Homeland* novels A larger than life character before picking up the pen Ib Melchior fought the Nazis as a counterintelligence officer and decoded Shakespeare s tomb He was an actor in Paris and a Nordic student of Viking history He honed his craft at the dawn of television s golden age in the 1950s imagining the realms beyond as a writer and director of some of the most memorable science fiction cult films of the 1960s including *Robinson Crusoe on Mars* and *The Time Travelers* In this rich volume Melchior draws on all these life experiences to deliver a literary epicurean s smorgasbord of short fiction historical speculative and visionary One story explores a woman s reawakening in post war Europe others investigate the war zones of Iraq expose the backstage havoc of a television quiz show and cover the life and death challenge in a dystopian future and more Melchior serves up an addendum of desserts in which he reveals the inspiration for each story from the debatable identity of the Bard to a Gestapo dog to Hans Christian Andersen Featuring twenty one stories in all Melchior *La Carte* is more than a potpourri of delicacies it is a feast of literary delights reminiscent

of the tales told by those master storytellers Conrad and Maugham In short Melchior s book is a must have S L Stebel author of Spring Thaw The Racer featured in this collection was adapted twice for film as Death Race 2000 and Death Race An extraordinary storyteller always provocative and wise as he lays out the stuff of which dreams are made Mann Rubin screenwriter of The Best of Everythin

Hitler's Scientists John Cornwell,2004-09-28 An eye opening account of the rise of science in Germany through to Hitler s regime and the frightening Nazi experiments that occurred during the Reich A shocking account of Nazi science and a compelling look at the the dramatic rise of German science in the nineteenth century its preeminence in the early twentieth and the frightening developments that led to its collapse in 1945 this is the compelling story of German scientists under Hitler s regime Weaving the history of science and technology with the fortunes of war and the stories of men and women whose discoveries brought both benefits and destruction to the world Hitler s Scientists raises questions that are still urgent today As science becomes embroiled in new generations of weapons of mass destruction and the war against terrorism as advances in biotechnology outstrip traditional ethics this powerful account of Nazi science forms a crucial commentary on the ethical role of science

The Marcus Device Ib Melchior,2014-07-01 Our top secret weapon is missing And America s top test pilot is missing too Full of a fierce obsessive will to live Tom Darby is about to test fire the USA s ultimate weapon when something goes tragically wrong His F 15 fighter explodes in a ball of fire He ejects into the killing heat of Death Valley Crazy by injuries he becomes a wild beast running for his life from unseen enemies and from his rescuers Even from his beautiful wife American teams want him So do sinister East German agents headed by an ex Nazi Because they believe he possesses The Marcus Device

Code Name: Grand Guignol Ib Melchior,2014-07-01 British Intelligence had learned on the eve of D Day that the Nazis were racing to complete some sort of secret weapon that would threaten the destruction of the whole invasion operation
