The Harder They Come Michael Thelwell, 1980 Noises in the Blood Carolyn Cooper, 1995-02-08 The language of Jamaican popular culture its folklore idioms music poetry song even when written is based on a tradition of sound an orality that has often been denigrated as not worthy of serious study In *Noises in the Blood* Carolyn Cooper critically examines the dismissed discourse of Jamaica's vibrant popular culture and reclaims these cultural forms both oral and textual from an undeserved neglect Cooper's exploration of Jamaican popular culture covers a wide

range of topics including Bob Marley's lyrics the performance poetry of Louise Bennett Mikey Smith and Jean Binta Breeze Michael Thelwell's novelization of *The Harder They Come* the Sistren Theater Collective's *Lionheart Gal* and the vitality of the Jamaican DJ culture Her analysis of this cultural noise conveys the powerful and evocative content of these writers and performers and emphasizes their contribution to an undervalued Caribbean identity Making the connection between this orality the feminized Jamaican mother tongue and the characterization of this culture as low or coarse or vulgar she incorporates issues of gender into her postcolonial perspective Cooper powerfully argues that these contemporary vernacular forms must be recognized as genuine expressions of Jamaican culture and as expressions of resistance to marginalization racism and sexism With its focus on the continuum of oral textual performance in Jamaican culture *Noises in the Blood* vividly and stylishly written offers a distinctive approach to Caribbean cultural studies *The Shelf* Phyllis Rose, 2014-05-13 Phyllis Rose embarks on a grand literary experiment to systematically read her way through a random shelf of books in the library LEQ LES fairly sure that no one in the history of the world has read exactly this series of novels An original take on literary taste and habits by the acclaimed author of *Parallel Lives* Rose after a career of reading from syllabuses and writing about canonical books decided to read like an explorer She wanted to sample more democratically the actual ground of literature Casting herself into the untracked wilderness of the New York Society Library's stacks she chose a shelf of fiction almost at random and read her way through it What results is a spirited experiment in *Off Road or Extreme Reading* Rose's shelf of roughly thirty books has everything she could wish for a remarkable variety of authors and a range of literary ambitions and styles The early nineteenth century Russian classic *A Hero of Our Time* by Mikhail Lermontov is spine by spine with *The Phantom of the Opera* by Gaston Leroux Stories of French Canadian farmers sit beside tales about aristocratic Austrians California detective novels about a novel from an Afrikaans writer who fascinates Rose to the extent that she ends up watching a YouTube video of his funeral A joyous testament to the thrill of engagement with books high and low *The Shelf* leaves us with the feeling that there are treasures to be found on every library or bookstore shelf Rose investigates her own discoveries with exuberance candor and while pondering the many questions her experiment raises and measuring her discoveries against her own inner shelf Exhilarating adventurous original Phyllis Rose's *The Shelf* is a reminder of what reading and writing are all about Azar Nafisi author of *Reading Lolita in Tehran* *Diasporic Lives* Marlene Calvin, 2010 African Americans and Jamaicans share a common past of forced dispersion from their original homelands and enslavement in the Americas The legacies of white supremacy racism and Euro centrism are still influential in both societies today The conditions of alienation and violence which are represented in African American and Jamaican cultural texts are tied to the sociological development of both societies The processes of having to prove their humanity as cultural communities and as individuals have caused many African diasporic people to become alienated from and violated by the societies they live in *The Western in the Global South* MaryEllen Higgins, Rita Keresztesi, Dayna Oscherwitz, 2015-04-24 *The Western* in the

The Oxford History of the Novel in English Simon Gikandi, 2016-09-05 Why did the novel take such a long time to emerge in the colonial world And what cultural work did it come to perform in societies where subjects were not free and modes of social organization diverged from the European cultural centers where the novel gained its form and audience Answering these questions and more Volume 11 The Novel in Africa and the Caribbean since 1950 explores the institutions of cultural production that exerted influence in late colonialism from missionary schools and metropolitan publishers to universities and small presses How these structures provoke and respond to the literary trends and social peculiarities of Africa and the Caribbean impacts not only the writing and reading of novels in those regions but also has a transformative effect on the novel as a global phenomenon Together the volume's 32 contributing experts tell a story about the close relationship between the novel and the project of decolonization and explore the multiple ways in which novels enable readers to imagine communities beyond their own and thus made this form of literature a compelling catalyst for cultural transformation The authors show that even as the novel grows in Africa and the Caribbean as a mark of the elites mastery of European form it becomes the essential instrument for critiquing colonialism and for articulating the new horizons of cultural nationalism Within this historical context the volume examines works by authors such as Chinua Achebe Nadine Gordimer George Lamming Jamaica Kincaid V S Naipaul Zoe Wicomb J M Coetzee and many others
