The Haunted Major:

The Haunted Major Robert Marshall,1999-06-08 Brilliantly observed and superbly characterised The Haunted Major recounts the epic golfing match between the outrageously pompous Major and the reigning Open Champion Jim Lindsay The prize The chance to propose to the captivating and extremely wealthy Mrs Gunter Despite being the finest sportsman living the Major despises golf has never played it and considers a week s practice in secret in his hotel bedroom at St Andrews quite enough to whip the upstart But events take an unexpected turn with the appearances of the ghostly Cardinal **The Haunted Major** Robert Marshall,1902 [The Haunted Major \(1902\)](#) Robert Marshall,2014-08-07 This Is A New Release Of The Original 1902 Edition **The Haunted Major (1902)** Robert Marshall,2009-05 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **The Haunted Major** Random House,1999-05-01 [The Haunted Major](#) Robert Marshall,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1902 edition Excerpt Ill THE CHALLENGE THE Racing Club as the reader knows is the smartest sporting club in London and the Inner Temple of the popular game of Bridge But to night cards held no temptation for me and I sat alone in the reading room chewing the cud of a humiliation that was quite novel to my experience The incident of the Cardinal s wink and the unknown voice had already escaped my memory and I was rapt in rankling memories of the unsatisfactory evening I had spent To me it was inconceivable that even the finest exponent of a wretched game like golf could oust an all round sportsman like myself from the circle of interest at a dinner table It was not so much that I had not been afforded an opportunity to talk as that when I did I was listened to with a wandering and simulated attention suggesting that the listeners were only waiting for me to stop The moment I paused between two anecdotes someone precipitately led the conversation away to a channel that had no possible interest for me Then Katherine had indubitably avoided and ignored me It has always been understood between us that if I am in a room with her mine is the first claim on her attention Yet tonight there was if not an open rebellion at least a new departure It was extremely galling and I ordered a second brandy and soda Must I then take to golf in selfdefence Of course I could pick it up easily There is no minor game that I have not mastered with ease after about a week s hard application and to acquire the art of striking a ball from a certain distance into a hole presents no alarming difficulties to the adroit cricketer and practised polo player Still to go over as it were to the camp of the enemy to apply myself to a game that I have **The Haunted Major ...
