

The Hawklane Monster

Christine Brooke-Rose

The Hawklane Monster:

The Hawklane Monster Richard Brautigan, 1974 The year is 1902 the setting Eastern Oregon A 15 year old Indian girl wanders into a whorehouse looking for men to kill the monster that lives in the ice caves under the basement of Miss Hawklane s house Armed with a trunkful of guns two men set off in search of the Hawklane Monster What follows is a series of unusual and often comic encounters in this parody of two literary genres

The Hawklane Monster Richard Brautigan, 1976 Instrucciones para los trabajos geodésicos de 2o. y 3er. orden , 1908 **Richard Brautigan's A Confederate General from Big Sur, Dreaming of Babylon, and The Hawklane Monster** Richard Brautigan, 1991 Three books in the manner of their original editions

International Postmodernism Johannes Willem Bertens, Hans Bertens, Douwe Fokkema, 1997 Containing more than fifty essays by major literary scholars *International Postmodernism* divides into four main sections The volume starts off with a section of eight introductory studies dealing with the subject from different points of view followed by a section that deals with postmodernism in other arts than literature while a third section discusses renovations of narrative genres and other strategies and devices in postmodernist writing The final and fourth section deals with the reception and processing of postmodernism in different parts of the world Three important aspects add to the special character of *International Postmodernism* The consistent distinction between postmodernity and postmodernism equal attention to the making and diffusion of postmodernism and the workings of literature in general and the focus on the text and the reader i e the reader s knowledge experience interests and competence as crucial factors in text interpretation This comprehensive study does not expressly focus on American postmodernism although American interpretations of postmodernism are a major point of reference The recognition that varying literary and cultural conditions in this world are bound to produce endless varieties of postmodernism made the editors Hans Bertens and Douwe Fokkema opt for the title *International Postmodernism*

The Magic Children Roger Echo-Hawk, 2016-05-23 This provocative book confronts the fallacy of race and American Indian racialism and challenges us to move American culture policy and scholarship beyond race

Exploring Postmodernism Matei Calinescu, Douwe W. Fokkema, 1988-01-01 The great diversity of contexts in which the term Postmodernism is currently encountered reflects the remarkable success of a coinage that has been in circulation for only about forty years It has been used by philosophers sociologists art critics and literary historians to become finally a household word in the language of advertising and politics Before letting it fade to a derelict cliché an attempt is made in this volume of essays to use its potential as a cultural concept for the analysis and understanding of contemporary literature and thought

Richard Brautigan John F. Barber, 2014-12-09 Best known for his novel *Trout Fishing in America* American writer Richard Gary Brautigan 1935 1984 published eleven novels ten poetry collections and two story collections as well as five volumes of collected work several nonfiction essays and a record album of spoken voice recordings Brautigan s idiosyncratic style and humor caused him to be identified with the counterculture movement of the

1960s The authors of many of these 32 essays knew Brautigan personally and professionally others came to know and respect him through a cultivated connection with his writings The essays many of which are new others of which were published in obscure journals combine personal remembrance of the man and critical appraisal of his still controversial works Includes previously unpublished photographs and artworks

A Rhetoric of the Unreal Christine Brooke-Rose, 1981-10-15 This 1981 book is a study of wide range of fiction from short stories to tales of horror from fairy tales and romances to science fiction to which the rather loose term fantastic has been applied Cutting across this wide field Professor Brooke Rose examines in a clear and precise way the essential differences between these types of narrative against the background of realistic fiction In doing so she employs many of the methods of modern literary theory from Russian formalism to structuralism while at the same time bringing to these approaches a sharp critical intuition and sound common sense of her own The range of texts considered is broad from Poe and James to Tolkien from Flann O'Brien to the American postmodernism This book should prove a source of stimulation to all teachers and students of modern literary theory and genre as well as those interested in fantastic literature

The Play of the Double in Postmodern American Fiction Gordon Slethaug, 1993 In *The Hawkline Monster* Brautigan's minimalist metafictional parody of the double depicts our narcissistic view of reality In *Double or Nothing* Federman subverts the conventional double exposing its gamelike structures and traditional views of life and text

Encyclopedia of Weird Westerns Paul Green, 2016-03-10 From automatons to zombies many elements of fantasy and science fiction have been cross pollinated with the Western movie genre In its second edition this encyclopedia of the Weird Western includes many new entries covering film television animation novels pulp fiction short stories comic books graphic novels and video and role playing games Categories include Weird Menace Science Fiction Space Steampunk and Romance Westerns

Solar Flares Andrew M. Butler, 2012-10-16 An engaging and accessible book looking at 1970s sf writing film and television alongside music and architecture to reclaim the decade as a crucial period in the history of science fiction

The Tim Burton Encyclopedia Samuel J. Umland, 2015-09-28 Tim Burton is one of the most inventive filmmakers in the world From his early work as an animator for Disney studios to his distinctive takes on iconic characters like Batman and Alice in Wonderland Burton's skewed vision of the world has informed all of his films Imbuing his films with a comically dark tone Burton provides a twisted slant on conventional storytelling In *The Tim Burton Encyclopedia* Samuel J Umland looks at all aspects of this idiosyncratic storyteller's films which frequently display childlike wonder and a macabre humor Entries in this volume focus on Burton's artistic inspirations as well as creative personnel behind the camera including writers cinematographers costume designers art directors and other collaborators notably his frequent composer Danny Elfman Recurring actors are also represented such as Michael Keaton Helena Bonham Carter Jack Nicholson and of course Johnny Depp Film entries include all of his features such as Pee Wee's Big Adventure Beetlejuice Edward Scissorhands Ed Wood Big Fish and Dark Shadows Each entry is followed by a bibliography of published sources

both in print and online Featuring entries focused on every stage of Burton s career including early animated shorts like Frankenweenie and his work as a producer this volume provides indispensable information about one of the most distinctive filmmakers of the past three decades Comprehensive and entertaining The Tim Burton Encyclopedia will appeal to scholars researchers and fans of this singular director s work

Jubilee Hitchhiker William Hjortsberg,2012-04-01 Confident and robust Jubilee Hitchhiker is an comprehensive biography of late novelist and poet Richard Brautigan author of Troutfishing in America and A Confederate General from Big Sur among many others When Brautigan took his own life in September of 1984 his close friends and network of artists and writers were devastated though not entirely surprised To many Brautigan was shrouded in enigma erratic and unpredictable in his habits and presentation But his career was formidable an inspiration to young writers like Hjortsberg trying to get their start Brautigan s career wove its way through both the Beat influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s while he never claimed direct artistic involvement with either period Jubilee Hitchhiker also delves deeply into the spirited times in which he lived As Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer s world Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life Part history part biography and part memoir this etches the portrait of a man destroyed by his genius

Being Hal Ashby Nick Dawson,2009-04-17 The story of the director behind Harold and Maude Being There and other quirky classics A superb biography of this troubled talented man Tucson Citizen Hal Ashby set the standard for subsequent independent filmmakers by crafting unique thoughtful and challenging films that continue to influence new generations of directors Initially finding success as an editor Ashby won an Academy Award for editing 1967 s In the Heat of the Night and translated his skills into a career as one of the quintessential directors of 1970s Perhaps best remembered for the enduring cult classic Harold and Maude Ashby quickly became known for melding quirky comedy and intense drama with performances from A list actors such as Jack Nicholson in The Last Detail Warren Beatty and Goldie Hawn in Shampoo Jon Voight and Jane Fonda in Coming Home and Peter Sellers and Shirley MacLaine in Being There But Ashby s personal life was difficult After enduring his parents divorce his father s suicide and his own failed marriage all before the age of nineteen he became notorious for his drug abuse which contributed to the decline of his career near the end of his life Ashby always operated outside Hollywood s conventions and though his output was tragically limited the quality of his films continues to inspire modern directors as varied and talented as Judd Apatow and Wes Anderson both of whom acknowledge Ashby as a primary influence In Being Hal Ashby Life of a Hollywood Rebel the first full length biography of the maverick filmmaker Nick Dawson masterfully tells the turbulent story of Ashby s life and career

Richard Brautigan Marc Chénétier,2019-10-08 Few contemporary American writers have been subjected to as much laudatory abuse as Richard Brautigan who having become famous in the 1960s was made a cult figure for the hippy

generation and was systematically refused recognition as a major novelist once the sentimental wave of the greening of America had passed Marc Ch netier s study originally published in 1983 was the first book to attempt to assess Brautigan s writing art which far from weakening over the years had become amid critical indifference more secure in its techniques more all encompassing in its strategy and more iconoclastic in its goals In analysing most of Brautigan s fictional works in the light of his poetics it examines the mechanisms of his metafictional and deconstructive offensive and indicates the direction in which Brautigan was moving at the time

Encounters with American Culture Peter Prescott, 2017-09-08
Peter S Prescott was one of the most informed and incisive American literary critics to write for the general public Never content merely to summarize or to pronounce quick judgments Prescott s reviews are witty and delightful essays to be enjoyed for their own sake as examples of civilized discourse Whether he is exploring a well known novelist s outlook and methods or the peculiar deficiencies of a work of nonfiction Prescott s grace elegance and insights make each piece proof that real criticism need not be pedantic obscure or interminably long The focus in this second volume of Prescott s writings published by Transaction is on both fiction by American authors and on nonfiction reflecting our American unease He casts an ironic eye on how we in this country think we live now on what we are saying about ourselves in our fiction our history and our biography Prescott considers some of our century s classic writers Hemingway and Henry Miller John Cheever and Thornton Wilder He offers new insights regarding those who are still at work Mailer John Irving Oates Updike Ozick and Alice Walker Some authors do not fare well With his customary flair Prescott explains why the reputations of Kurt Vonnegut and Barbara Tuchman the Encyclopedia Britannica and John Gardner urgently need deflation He includes essays on writers and books not generally noticed in collections of criticism Stephen King The Joy of Sex fairy tales science fiction thrillers books on survival and etiquette Here is a critic with a personal voice and a sense of style For essays published in this collection Prescott received the most highly regarded prize in journalism the rarely presented George Polk Award for Criticism This is a chronicle of our contemporary American culture as revealed by its books written with verve intelligence wisdom and wit by a critic who s cruel only when appropriate **Encounters with American Culture: Volume 2 (1973-1985)** Peter S. Prescott, Peter S

Prescott was one of the most informed and incisive American literary critics to write for the general public Never content merely to summarize or to pronounce quick judgments Prescott s reviews are witty and delightful essays to be enjoyed for their own sake as examples of civilized discourse Whether he is exploring a well known novelist s outlook and methods or the peculiar deficiencies of a work of nonfiction Prescott s grace elegance and insights make each piece proof that real criticism need not be pedantic obscure or interminably long The focus in this second volume of Prescott s writings published by Transaction is on both fiction by American authors and on nonfiction reflecting our American unease He casts an ironic eye on how we in this country think we live now on what we are saying about ourselves in our fiction our history and our

biography Prescott considers some of our century's classic writers Hemingway and Henry Miller John Cheever and Thornton Wilder He offers new insights regarding those who are still at work Mailer John Irving Oates Updike Ozick and Alice Walker Some authors do not fare well With his customary flair Prescott explains why the reputations of Kurt Vonnegut and Barbara Tuchman the Encyclopedia Britannica and John Gardner urgently need deflation He includes essays on writers and books not generally noticed in collections of criticism Stephen King The Joy of Sex fairy tales science fiction thrillers books on survival and etiquette Here is a critic with a personal voice and a sense of style For essays published in this collection Prescott received the most highly regarded prize in journalism the rarely presented George Polk Award for Criticism This is a chronicle of our contemporary American culture as revealed by its books written with verve intelligence wisdom and wit by a critic who's cruel only when appropriate Encounters with American Culture is quite simply literary journalism at its urbane best Peter S Prescott was book review editor for Newsweek His books include A Darkening Green Notes from the Silent Generation and The Child Savers Juvenile Justice Observed Anne L Prescott is Helen Goodhart Altschul Professor of English at Barnard College

Convention and Innovation in Literature Theo Döhaen, Rainer Gröbel, Helmut Lethen, 1989-01-01 This work is a critical evaluation of the concepts of convention and innovation as applied in the study of changing literary values hierarchies and canons Two approaches are analyzed 1 the linking of convention and the subject's awareness of convention and 2 systems theory The merits of both approaches are discussed and an attempt is made to combine them and to regard systems of literary communication primarily as systems of conventions Specific cases of changing conventions and innovation are illustrated with examples from the field of versification Rimbaud reception studies Puskin Goethe George Eliot the dichotomy of forgetting remembering Nietzsche Proust avant garde the American dream and popular genres assimilated in Postmodernism

Beyond Suspicion Marc Chenetier, 1996-01-29 Selected by Choice magazine as an Outstanding Academic Book for 1996
