Stiver, 1997-10-30 In this wonderfully readable book Jean Baker Miller Irene Stiver argue that relationships are the integral source of psychological health They offer a new understanding of human development that points a way to change in all our institutions work community school family is sure to transform lives Miller Stiver both legendary therapists discuss how we form sustain intimate relationships through crises frailties betrayals deep disagreements long arid stretches They provide a useful lens through which to view our atomistic culture the therapeutic process They have added chapter verse documenting the importance of connection for women Reading this book is almost as special as finding a really great therapist **Forget Them Not** Joanne M. Hemenway, 2010-07-09 To witness effectively and powerfully to Christian testimonies of care and compassion of justice and mercy of healing and wholeness it is necessary to foster awareness of the realities of the present system of retributive justice if there is to be any hope of transformation to a system of justice which is restorative Forget Them Not provides a history of the prison system as a means of punishment contrasting it with the relatively recent but growing practice of restorative justice Joanne Hemenway explores the concept of disconnection as radical evil as a separation from God who is the source of our being and shows how our present approach to punishment fosters this evil The present system with its motif of retributive justice generates shame rejection and loneliness which stokes the fires of anger and rage This breeds deep disconnection which only serves to fuel further cycles of violence Hemenway presents three vignettes designed to help explore forgiveness in the context of both retributive and restorative justice To promote healing and connection Forget Them Not introduces compassionate witnessing in prison ministry as a way to develop awareness and empowerment The Healing Connection Brad H Spencer, 2025-06-06 The Healing Connection is not just a book it is a ministry tool This book has actually helped people make a connection to the promise of healing in the New Covenant It will challenge your traditional teaching concerning healing and whether or not it is God s will for you to be healed Read it with an open mind then reread it

again We have received countless testimonies of people making that connection and being healed of everything from cancer to arthritis and so much more This book teaches you not only how to get your healing miracle but also how to keep it It is God s will for you to be healed and it brings Him glory when you walk in that healing Get ready to embark on your healing journey
