anthropologists geographers and historians explore how people and groups around the world identify and join with Mary in
their struggle against social injustice and how others mobilize Mary to impose ideas and rules and legitimize acts of violence
and suppression Far from an outdated practice of little relevance to the modern world Marian pilgrimage expresses the deep
and urgent concerns of a wide range of people With examples of Marian pilgrimages from all over the world *Moved by Mary*
explores the ways in which men and women of different ages and religious political social economic and ethnic backgrounds
empower themselves to deal with modern day issues with Mary s help The ethnographic cases reveal the cultural and
devotional variation of Marian pilgrimage but also global similarities Collectively the contributors to *Moved by Mary* show
how in many places religion dramatically suffuses everyday life Psychological Perspectives on Prayer Leslie John

Movement and its Anglo Catholic spirituality in the 19th century Established in Oxford in 1866 its charismatic founder
Richard Meux Benson worked closely with American priests and just four years later a congregation was founded in
Massachusetts that flourishes to this day The charism of the order embraced high regard of theology with practical service
fostered by an emphasis on prayer and personal holiness Cowley a poor and rapidly expanding village on the outskirts of
Oxford provided ample opportunity for service At its height the English congregation had houses in Oxford now St Stephen s
House and Westminster where figures such as C S Lewis sought spiritual direction Now no longer operating as a community
