The Heart Of Understanding:

The Heart of Understanding Thich Nhat Hanh, 2009-12-01 Comprised of only 632 Chinese characters the Heart Sutra is Buddhism in a nutshell Despite its brevity this powerful work covers more of the Buddha's teachings than any other scripture and its influence is more profound and wide reaching than any other text in Buddhism Thich Nhat Hanh's translation and commentary is regarded as the most simple clear concise and understandable available He describes the sutra as a precious gift to us the gift of fearlessness offering subtle and profound teachings on non duality and the letting go of all preconceived notions opinions and attachments thereby becoming open to all the wonders of our life This completely revised edition celebrates the 20th anniversary of the first publication of a modern classic **Understanding the Heart** Dr. Stephen Hussey, MS, DC, 2022-04-07 The most mind blowing information on heart disease I consider this to be the best book I've ever read on cardiovascular health Ben Greenfield New York Times bestselling author Heart disease is the number one killer in the world Despite ever advancing medical procedures and more and more powerful pharmaceutical drugs the rate of heart disease continues to rise According to Dr Stephen Hussey this is due in part to misunderstandings about how the heart really functions and how to keep it healthy These misunderstandings result in improper medical approaches and off target intervention therapies As a type 1 diabetic Dr Hussey has always known that he was at two to four times greater risk of developing heart disease As a result he has dedicated his entire adult life to understanding the heart to prevent himself from becoming a statistic And then his worst nightmare came true Dr Hussey suffered a STEMI a blockage in the left anterior descending artery of his heart STEMIs are typically so fatal that they are known as widowmakers Only 12 percent of those who experience them outside of a hospital setting survive Dr Hussey was among the lucky 12 percent but faced a difficult decision during his recovery follow the standard of care laid out for him by the attending cardiologist or politely decline and apply everything he'd learned about the heart to a recovery protocol that would look massively different than what the doctors were recommending In Understanding the Heart Dr Hussey shares the information that guided him through the highest stakes decision of his life including A large body of research suggesting that the heart is not the main mover of blood in the body and what that means for your overall health The evolutionary origins of the nervous system and how these manifest today in rampant rates of heart disease Deep analysis of the widely accepted idea that saturated fat and cholesterol will clog your arteries The importance of reducing oxidative stress for a heart healthy lifestyle In Understanding the Heart Dr Stephen Hussey lays bare everything he has learned in his deep investigation into the heart and guides you on a path to prevent disease in the context of a highly diseased modern world in order to enjoy lifelong good health Understanding the Heart Minh Niem, 2012-02-24 The human heart is a source of love but often also a source of pain and suffering These wounds cannot be healed by medicine or external remedies alone The most powerful and lasting way to transform suffering is through deep understanding of our own hearts and minds and of those around us Understanding the Heart is a guide to
