M. S. Ward,W. G. Stirling,2014-07-10 First published in 2006 Claiming origins in the mysteries of the Shaolin monastery and its martial traditions the Triads are Chinese secret societies that overthrew the Qing Dynasty evolved into organised crime syndicates spread through the Chinese diaspora and are more powerful now than ever before The symbol of the Triads is a triangle enclosing the characters for heaven earth and man emblematic of the societies far reaching influence and membership involves challenging rites of initiation and the practice of complex rituals little changed over the centuries On one level these practices can be seen simply as the customs of a purely mystical order on another they may be seen as the organising principles by which secret societies continue to operate as powerful political organisations invisible in our midst This classic work the definitive study of the history symbols and secret rituals of the Triads reveals the Triad initiation ritual of the mystical journey sacred Triad signs words and slang the rite of the magic mirror and the oath of blood brotherhood the symbolic decoration of Triad temples Triad magic and the meaning of the sacred objects and ceremonies at the heart of Triad practice in minute detail The authors show that the Triad ritual is a potent mystical allegory with an immense power that can be used for good or ill *Trioedd Ynys Prydein* Rachel Bromwich,2014-11-15 Rachel Bromwich s magisterial edition of *Trioedd Ynys Prydein* has long won its place as a classic of Celtic studies This revised edition shows the author s continued mastery of the subject including a new preface by Morfydd Owen and will be essential reading for Celticists and for those interested in early British history and literature and in Arthurian studies **The Worlds of Farscape** Sherry Ginn,Donald E. Palumbo,C.W. Sullivan III,2013-08-20 Reversing a common science fiction cliché *Farscape* follows the adventures of the human astronaut John Crichton after he is shot through a wormhole into another part of the universe Here Crichton is the only human being going from being a member of the most intelligent species on our planet to being frequently considered mentally deficient by the beings he encounters in his new environment John Crichton befriends a group of beings from various species attempting to escape from imprisonment aboard a living spaceship The series which broke many of the so called rules of science fiction follows Crichton s attempts to survive in worlds that are often hostile to him and his friends Their adventures center on each being s attempt to find a way home The essays in this volume explore themes running throughout the series such as good and evil love and sex and what it means to be a hero as well as the various characters populating the series including the villains and even the ship itself **The Sidekick Comes of Age** Stephen M. Zimmerly,2019-04-09 Literary sidekicks like Dr Watson and Robin the Boy Wonder have not been the singular subject of a significant critical study until now Using young adult literature YA to study

the sidekick reveals new and exciting ways to understand these kinds of characters and this kind of literature YA has embraced the sidekick recognizing the way the character reflects the importance of growth and finding one's place in the world The nature of many YA texts allows sidekicks to grow beyond literary or historical origins This includes letting sidekicks evolve over the course of multiple texts using parallel novels to add complexity to a sidekick's characterization and telling a story from the sidekick's perspective paradoxically making the sidekick the hero A singularly focused and prolonged study helps to establish sidekick scholarship as a burgeoning field in and of itself *Men of the House* Seeliger, Henriette-Juliane, 2024-01-22
