H. Gabhart, 2016-05-17 A Cozy Mystery Complete with a Small Town Full of Charming Quirky Characters Deputy Sheriff Michael Keane doesn't particularly enjoy being touted as the hero of Hidden Springs after pulling a suicidal man back from the edge of the Eagle River bridge in front of dozens of witnesses a few of whom caught the breathtaking moments with their cameras But the media hype doesn't last long as a new story pushes its way into the public consciousness of Hidden Springs concerned citizens Photos of a dead girl arrive in the mail and Michael becomes convinced she was murdered by the man he saved With a killer one step ahead things in Hidden Springs begin to unravel Now Michael must protect the people he loves because the killer could be targeting one of them next Readers will love racing along with Deputy Sheriff Keane as

the clock ticks in this page turning mystery      **Murder Is No Accident (The Hidden Springs Mysteries Book #3)** A. H. Gabhart, 2017-03-14 Young Maggie Greene may be trespassing in the old empty Victorian mansion on a quiet street in Hidden Springs but all she wants is some private time in the magnificent tower room to write her stories Certain she ll be in trouble if caught she hides when a realtor shows up But someone else is in the house too someone even more worried about getting caught When Maggie finds the realtor s body at the bottom of a flight of stairs and the other person gone Deputy Sheriff Michael Keane is called in He assumes the realtor s death is a tragic accident until a second person is found dead in the house When Maggie is threatened Michael must catch the murderer before anyone else dies Cozy mystery fans will love this third installment in The Hidden Springs Mysteries series from an author who knows how to make small town America sweet sentimental and a little sinister      **The Magic Cat of the Hidden Springs Inn and Spa** Kari Kilgore, 2021-11-17 A

Blizzard of Love A cozy night of reading suits Henry Satterfield just fine as a Christmas Eve blizzard settles in He hopes no one shows up at the inn to disrupt his solitude Steve Lake fights the snowbound interstate and changing his plans to get home to Tennessee The prospect of a warm place for the night eases his disappointment Zortea the Magic Cat knows best when romantic sparks fly Will Henry and Steve heed Zortea s sensible advice or miss their chance for happily ever after Also available in the collection A Kaleidoscope of Cat Tales Five Stories of Cats and People Who Love Them An excerpt from The Magic Cat of the Hidden Springs Inn and Spa Exit to the Best Holiday Gift of All Accommodations Two big chain hotels both probably booked solid in this storm Steve squinted trying to catch the text on a third logo that promised it was only 0 3 miles away The Hidden Springs Inn and Spa complete with a cartoon image of steaming hot water Steve groaned and closed his eyes for a quick second He didn t care one bit whether that meant a commercial hot tub a hotel bathtub or an actual hot spring He wouldn t mind if the inn cost ten times what any of the chains did He couldn t think of anything he d rather do than soak this rotten drive away He d call his parents and break the bad news once he was able to pry his fingers loose from the steering wheel Steve simply couldn t face one more mile in a freak blizzard tonight Please oh please kind sir Tell me you have room at your inn for one more wandering soul tonight      **Hidden Springs** Joseph Parker, 1864      [The Hidden Spring: A Journey to the Source of Consciousness](#) Mark Solms, 2021-02-16 A revelatory new theory of consciousness that returns

emotions to the center of mental life For Mark Solms one of the boldest thinkers in contemporary neuroscience discovering how consciousness comes about has been a lifetime s quest Scientists consider it the hard problem because it seems an impossible task to understand why we feel a subjective sense of self and how it arises in the brain Venturing into the elementary physics of life Solms has now arrived at an astonishing answer In The Hidden Spring he brings forward his discovery in accessible language and graspable analogies Solms is a frank and fearless guide on an extraordinary voyage from the dawn of neuropsychology and psychoanalysis to the cutting edge of contemporary neuroscience adhering to the medically provable But he goes beyond other neuroscientists by paying close attention to the subjective experiences of

hundreds of neurological patients many of whom he treated whose uncanny conversations expose much about the brain's obscure reaches Most importantly you will be able to recognize the workings of your own mind for what they really are including every stray thought pulse of emotion and shift of attention The Hidden Spring will profoundly alter your understanding of your own subjective experience **Hidden Springs. *The Hidden Springs* Aplyn Wynn-Jones, 2008-04-01 Not quite history but more than a tale of the Forty five this explores the perennial questions How could Charles Stuart land with just seven companions and persuade the Highlands to rise Why did the Scots turn back at Derby with the road to London open before them And if they had not returned James Oglethorpe is little known but he was a more pleasant companion than Drake or Nelson and led a life no less active and diverse How many exhilarating figures have we not quite forgotten but not widely remembered Our story is set in the reigns of Queen Anne and the early Georges We face the beauty and squalor the cruelty and kindness the tragedy and the fun It was the age of Gin Lane and of Gainsborough's ladies the slave trade and Wren's churches Blenheim and Fontenoy but a time of discovery and invention too It was corrupt cruel and smelly But worse than our day Is slavery for greed worse than genocide for reasoned policy At least a poor redcoat could lie among flowers with a skylark singing overhead there were butterflies and horses and children playing in the street If life was shorter there was all the more reason to live it with zest and grace There's true love in the tale too not sewn on to make a story but woven in the fabric **The Secret of the Hidden Valley**
