The New York Abolitionists A Case Study Of Political Radicalism:

The Abolitionist Movement Claudine L. Ferrell,2005-12-30 The abolitionists of the 1830s 1850s risked physical harm and social alienation as a result of their refusal to ignore what they considered a national sin contrary to the ideals upon which America was founded Derived from the moral accountability called for by the Great Awakening and the Quaker religion the abolitionist movement demanded not just the gradual dismantling of the system or a mandated political end to slavery but an end to prejudice in the hearts of the American people Primary documents illustrations and biographical sketches of notable figures illuminate the conflicted struggle to end slavery in America Some called them fanatics others called them liberators and saints Immeasurable though their ultimate impact may have been the abolitionists of the 1830s 1850s risked physical harm and social alienation as a result of their refusal to ignore what they considered a national sin contrary to the ideals upon which America was founded Derived from the moral accountability called for by the Great Awakening and the Quaker religion the abolitionist movement demanded not just the gradual dismantling of the system or a mandated political end to slavery but an end to prejudice in the hearts of the American people Claudine Farrell s concluding essay draws parallels between the abolitionists struggles and the Civil Rights movement of the 1950s 1970s demonstrating the significant amount of ground being gained in a still unfinished war Five narrative chapters explore the abolitionist movement s religious beginnings the conflict between moral justice and union preservation and the revolts divisions and conflicts leading up to the Civil War Biographical portraits of such notable figures as Frederick Douglass William Lloyd Garrison and the Grimke sisters supplement the discussion and selections from some of the most influential documents in American history including the Emancipation Proclamation the US Constitution and The Writings of Thomas Jefferson provide actual historical evidence of the events Twelve illustrations a chronology index and extensive annotated bibliography make this an ideal starting point for students looking to understand the battle for and against slavery in America **William Jay** Stephen Budney,2005-02-28 A founder of the New York Anti Slavery Society William Jay was one of the most prolific and influential abolitionists of his day yet Americans know little about him This is the first extensive examination of his life and work in over 100 years Like many of his contemporaries Jay looked at a rapidly changing America and it frightened him As a conservative social reformer it was not merely sinfulness that alarmed Jay but the perception that America was betraying its founding principles From his early involvement in local temperance societies to his conversion to the cause of immediate abolition of slavery Jay would emerge as one of the most influential reformers A fierce and vocal opponent of the efforts to repatriate blacks to Africa as well as the U S annexation of Northern Mexico Jay stood at the center of the abolitionist and anticolonialist movements The son of founding father John Jay William Jay felt an obligation to help purify America so that it could continue to adhere to the republican principles that had helped create it Not only does Budney examine the motivation for multifaceted reform he also probes how advocates of abolition peace activists and temperance attempted to craft their

appeals to influence the greatest number of people Many scholars have attributed the vitality of the reform movement particularly the abolitionists to the more radical elements such as the Garrisons however most reformers would have preferred a more gentle approach to persuading Americans of the veracity of their efforts

Abolitionism and American Politics and Government John R. McKivigan,1999 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

The state of New York is virtually a nation unto itself Long one of the most populous states and home of the country s most dynamic city New York is geographically strategic economically prominent socially diverse culturally innovative and politically influential These characteristics have made New York distinctive in our nation s history In New York State Peoples Places and Priorities Joanne Reitano brings the history of this great state alive for readers Clear and accessible the book features Primary documents and illustrations in each chapter encouraging engagement with historical sources and issues Timelines for every chapter along with lists of recommended reading and websites Themes of labor liberty lifestyles land and leadership running throughout the text Coverage from the colonial period up through the present day including the Great Recession and Andrew Cuomo s governorship Highly readable and up to date New York State Peoples Places and Priorities is a vital resource for anyone studying teaching or just interested in the history of the Empire State

Political Abolitionism in Wisconsin, 1840-1861 Michael J. McManus,1998 This study of political abolitionism in Wisconsin between 1840 and 1861 demonstrates the importance of slavery related issues in bringing on the political crises of the 1850s and the American Civil War It shows Wisconsin as having been comparatively radical on slavery and race related issues

The Restless City Joanne Reitano,2010-07 The Restless City A Short History of New York from Colonial Times to the Present is a short lively history of the world s most exciting and diverse metropolis It shows how New York s perpetual struggles for power wealth and status exemplify the vigor creativity resilience and influence of the nation s premier urban center The updated second edition includes nineteen images and brings the story right up through the mayoral election of 2009 In these pages are the stories of a broad cross section of people and events that shaped the city including mayors and moguls women and workers and policemen and poets Joanne Reitano shows how New York has invigorated the American dream by confronting the fundamental economic political and social challenges that face every city Energized by change enriched by immigrants and enlivened by provocative leaders New York City s restlessness has always been its greatest asset

Religious Speech and the Quest for Freedoms in the Anglo-American World Wendell Bird,2023-04-20 Judeo Christian believers demanded and ultimately brought us six major advances in freedom speech and press criminal rights and higher education abolition and civil rights

Black Prophets of Justice David E. Swift,1999-03-01 In Black Prophets of Justice David E Swift examines the interlocking careers and influence of six black clergymen two of them fugitive slaves who lived in the antebellum North and

protested the racism of the time Samuel Cornish Theodore Wright Charles Ray Henry Highland Garnet Amos Beman and James Pennington had much in common all were noted for their education and eloquence all were ministers of the earliest black Presbyterian and Congregational churches and all were activists toward social change Preachers as well as activists these men fought Swift argues for the melding of religious life and social protest that informed their own lives As leaders of the black congregations in the primarily white Presbyterian and Congregational denominations they bore witness to the power of God and the essential oneness and worth of all human beings As activists they embraced a wide variety of issues including abolitionism education fugitive classes and the civil and political rights that greatly affected the lives of Afro Americans As editors of the first black newspapers they unmasked the racism implicit in the movement to colonize freed slaves outside of the United States and in the segregation of black worshipers in white churches They organized vigilance committees to help escaped slaves and they held conventions of free blacks in New York and Connecticut that aimed to win rights for blacks through legislation By teaching Afro Americans about the glories of their African past and the achievements of more recent individuals of African descent these leaders grappled with the pernicious heritage of blacks self doubt caused by generations of enslavement and white insistence on black inferiority While they opened the eyes of some influential whites these activists effected little change in the attitudes and practices of white Americans in their own time But their contribution to the advancement of the black cause argues Swift was substantial They fed black aspiration sharpened black discontent and harnessed both to the creation of new black institutions Indeed they laid the foundation for such twentieth century movements as the National Association for the Advancement of Colored People and the Southern Christian Leadership Conference Black Prophets of Justice is a biography of six widely respected clergymen as well as an important discussion of Afro American activism in the North before the Civil War Well researched and well written it will be of interest to American church historians and to all those concerned with Afro American history or with the social impact of religion in America

Antislavery Reconsidered Lewis Perry, Michael Fellman, 1981-08-01 Historical observations of abolition have ranged from perspectives of contempt to acclamation and now show signs of a major change in interpretation The literature often has been dominated by hostile appraisals of William Lloyd Garrison and other abolitionist leaders until the 1960s when historians equated abolitionism may have fluctuated from one period to the next most of this scholarship shared certain assumptions that abolitionists provided pivotal factors toward the onset of the Civil War that their internal disputes were intensely interesting and that somehow they were emblematic of other generations of radicals in the American experience Today the scope of antislavery scholarship was widened to examine abolition in light of the social economic and political climate of nineteenth century society and culture Thus volume of fourteen new and original essays comprises the first survey of current directions in abolitionist writings and represents an advanced perspective in contemporary American historical research The contributors include such well known scholars on abolitionism as Bertram Wyatt Brown Leonard Richards James

Brewer Stewart and William Wiecek The authors examine various dimensions of abolitionism from its religious context to its international effect from its attitude toward the northern poor to its impact on feminism and from wars of words waged with southern intellectuals to the bloodier conflicts begun in Kansas These essays rather than expounding a single revisionist attitude include every major approach to antislavery women s history quantitative history comparative history legal history black history psychohistory social history Antislavery Reconsidered allows both specialists and laymen a chance to survey recent scholastic trends in this area and provides for them the assumptions methods and conclusions of the best current literature on antislavery

The Afro-American in New York City, 1827-1860 George E. Walker, 2019-04-05 First published in 1993 This study traces the complex social economic religious and political forces which affected African Americans and their overall response to them It more specifically illustrates how the prevailing views and actions of the dominant society serve to limit the aspirations of African Americans in rising above their supposed place within American life

The Abolitionists and the South, 1831-1861 Stanley Harrold, 2021-11-21 Within the American antislavery movement abolitionists were distinct from others in the movement in advocating on the basis of moral principle the immediate emancipation of slaves and equal rights for black people Instead of focusing on the immediatists as products of northern culture as many previous historians have done Stanley Harrold examines their involvement with antislavery action in the South particularly in the region that bordered the free states How he asks did antislavery action in the South help shape abolitionist beliefs and policies in the period leading up to the Civil War Harrold explores the interaction of northern abolitionist southern white emancipators and southern black liberators in fostering a continuing antislavery focus on the South and integrates southern antislavery action into an understanding of abolitionist reform culture He discusses the impact of abolitionist missionaries who preached an antislavery gospel to the enslaved as well as to the free Harrold also offers an assessment of the impact of such activities on the coming of the Civil War and Reconstruction

Freedom's Journal Jacqueline Bacon, 2007-01-01 Freedom s Journal is a comprehensive study of the first African American newspaper which was founded in the first half of the 19th Century The book investigates all aspects of publication as well as using the source material to extract information about African American life at that time

The Transformation of American Abolitionism Richard S. Newman, 2003-04-03 Most accounts date the birth of American abolitionism to 1831 when William Lloyd Garrison began publishing his radical antislavery newspaper The Liberator In fact however the abolition movement had been born with the American Republic In the decades following the Revolution abolitionists worked steadily to eliminate slavery and racial injustice and their tactics and strategies constantly evolved Tracing the development of the abolitionist movement from the 1770s to the 1830s Richard Newman focuses particularly on its transformation from a conservative lobbying effort into a fiery grassroots reform cause What began in late eighteenth century Pennsylvania as an elite movement espousing gradual legal reform began to change in the 1820s as black activists female reformers and nonelite whites pushed their way into the antislavery movement Located

primarily in Massachusetts these new reformers demanded immediate emancipation and they revolutionized abolitionist strategies and tactics lecturing extensively publishing gripping accounts of life in bondage and organizing on a grassroots level Their attitudes and actions made the abolition movement the radical cause we view it as today *Blue-Eyed Child of Fortune* Robert Gould Shaw, 2011-08-15 On the Boston Common stands one of the great Civil War memorials a magnificent bronze sculpture by Augustus Saint Gaudens It depicts the black soldiers of the Fifty fourth Massachusetts Infantry marching alongside their young white commander Colonel Robert Gould Shaw When the philosopher William James dedicated the memorial in May 1897 he stirred the assembled crowd with these words There they march warm blooded champions of a better day for man There on horseback among them in the very habit as he lived sits the blue eyed child of fortune In this book Shaw speaks for himself with equal eloquence through nearly two hundred letters he wrote to his family and friends during the Civil War The portrait that emerges is of a man more divided and complex though no less heroic than the Shaw depicted in the celebrated film *Glory* The pampered son of wealthy Boston abolitionists Shaw was no abolitionist himself but he was among the first patriots to respond to Lincoln's call for troops after the attack on Fort Sumter After Cedar Mountain and Antietam Shaw knew the carnage of war firsthand Describing nightfall on the Antietam battlefield he wrote the crickets chirped and the frogs croaked just as if nothing unusual had happened all day long and presently the stars came out bright and we lay down among the dead and slept soundly until daylight There were twenty dead bodies within a rod of me When Federal war aims shifted from an emphasis on restoring the Union to the higher goal of emancipation for four million slaves Shaw's mother pressured her son into accepting the command of the North's vanguard black regiment the Fifty fourth Massachusetts A paternalist who never fully reconciled his own prejudices about black inferiority Shaw assumed the command with great reluctance Yet as he trained his recruits in Readville Massachusetts during the early months of 1863 he came to respect their pluck and dedication There is not the least doubt he wrote his mother that we shall leave the state with as good a regiment as any that has marched Despite such expressions of confidence Shaw in fact continued to worry about how well his troops would perform under fire The ultimate test came in South Carolina in July 1863 when the Fifty fourth led a brave but ill fated charge on Fort Wagner at the approach to Charleston Harbor As Shaw waved his sword and urged his men forward an enemy bullet felled him on the fort's parapet A few hours later the Confederates dumped his body into a mass grave with the bodies of twenty of his men Although the assault was a failure from a military standpoint it proved the proposition to which Shaw had reluctantly dedicated himself when he took command of the Fifty fourth that black soldiers could indeed be fighting men By year's end sixty new black regiments were being organized A previous selection of Shaw's correspondence was privately published by his family in 1864 For this volume Russell Duncan has restored many passages omitted from the earlier edition and has provided detailed explanatory notes to the letters In addition he has written a lengthy biographical essay that places the young colonel and his regiment in historical context **Jews and the Civil War**

Jonathan D Sarna, Adam D Mendelsohn, 2010-05-28 An invaluable collection of essays revealing the experience of Jewish soldiers and civilians during the Civil War Essential and illuminating Harold Holzer Moment Magazine At least 8 000 Jewish soldiers fought for the Union and Confederacy during the Civil War A few served together in Jewish companies while most fought alongside Christian comrades Yet even as they stood shoulder to shoulder on the battlefield they encountered unique challenges In *Jews and the Civil War* Jonathan D Sarna and Adam Mendelsohn assemble for the first time the foremost scholarship on the subject little known even to specialists in the field These accessible and far ranging essays from top scholars are grouped into seven thematic sections Jews and Slavery Jews and Abolition Rabbis and the March to War Jewish Soldiers during the Civil War The Home Front Jews as a Class and Aftermath each with an introduction by the editors Together they reappraise the war's impact on Jews in the North and the South offering a rich and fascinating portrait of the experience of Jewish soldiers and civilians from the home front to the front lines *Frederick Douglass* Gregory P.

Lampe, 2012-01-01 This work in the MSU Press Rhetoric and Public Affairs Series chronicles Frederick Douglass's preparation for a career in oratory his emergence as an abolitionist lecturer in 1841 and his development and activities as a public speaker and reformer from 1841 to 1845 Lampe's meticulous scholarship overturns much of the conventional wisdom about this phase of Douglass's life and career uncovering new information about his experiences as a slave and as a fugitive it provokes a deeper and richer understanding of this renowned orator's emergence as an important voice in the crusade to end slavery Contrary to conventional wisdom Douglass was well prepared to become a full time lecturer for the Massachusetts Anti Slavery Society in 1841 His emergence as an eloquent voice from slavery was not as miraculous as scholars have led us to believe Lampe begins by tracing Douglass's life as slave in Maryland and as fugitive in New Bedford showing that experiences gained at this time in his life contributed powerfully to his understanding of rhetoric and to his development as an orator An examination of his daily oratorical activities from the time of his emergence in Nantucket in 1841 until his departure for England in 1845 dispels many conventional beliefs surrounding this period especially the belief that Douglass was under the wing of William Lloyd Garrison Lampe's research shows that Douglass was much more outspoken and independent than previously thought and that at times he was in conflict with white abolitionists Included in this work is a complete itinerary of Douglass's oratorical activities correcting errors and omissions in previously published works as well as two newly discovered complete speech texts never before published **Ambivalent Conspirators** Jeffrey

Rosbach, 2016-11-11 The remarkable relationship among the six conspirators who aided John Brown in his famed 1859 raid at Harpers Ferry is dramatically exposed in this volume Why did these six abolitionists who were nominally pacifist decide to subsidize an act of black violence Jeffery Rosbach rejects the commonly held belief that Brown dominated them with his charismatic personality Here he delves into the backgrounds and beliefs of the members of the Secret Six during their three year involvement with the plan and gives us for the first time a revealing picture of the group's character Rosbach identifies

the set of racial and political assumptions at the core of the Committee's rationale. He demonstrates how the conspirators, particularly Parker and Higginson, fused their ideas about political violence with those of the Journalist James Redpath and some free black leaders in the north. Essentially, the Six believed that the condition of slavery had rendered the black man docile, pliant, and prone to collective behavior. If slaves rallied to Brown's insurrectionary banner, they reasoned, their violent acts would have a cathartic effect on the Afro-American character and social outlook. The conspirators felt that just as the willingness to fight for freedom formed the basis of the Anglo-American character, so a violent uprising to free slaves and kill white oppressors must serve as the black man's first step toward the assimilation of a new and more individualistic value system. That system would more closely match the one held by the democratic industrial North. Surpassing previous studies by both conservative and revisionist historians, Rossbach shows how the secret committee's relationship with Brown was based upon their common social assumptions and personal aspirations. He suggests that they shared a system of beliefs that was emerging among urban professionals of the new industrial North. His work provides a fuller dimension to this key episode in American history.

Quaker Carpetbagger Max Longley, 2020-01-17

J. Williams Thorne (1816-1897) was an outspoken farmer who spent the first half century of his remarkable life in Chester County, Pennsylvania, where he took part in political debates, helped fugitive slaves in the Underground Railroad, and was active in the Progressive Friends Meeting, a national group of activist Quakers and allied reformers who met annually in Chester County. Williams and his associates discussed vital matters of the day, from slavery to prohibition to women's rights. These issues sometimes came to Thorne's doorstep; he met with nationally prominent reformers and thwarted kidnappers seeking to enslave one of his free black tenants. After the Civil War, Williams became a carpetbagger, moving to North Carolina to pursue farming and politics. An infidel Quaker, anti-Christian, he was opposed by Democrats who sought to keep him out of the legislature on account of his religious beliefs. Today, a little-known figure in history, Williams made his mark through his outspokenness and persistent battling for what he believed.

The New York Abolitionists A Case Study Of Political Radicalism Introduction

In today's digital age, the availability of The New York Abolitionists A Case Study Of Political Radicalism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The New York Abolitionists A Case Study Of Political Radicalism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The New York Abolitionists A Case Study Of Political Radicalism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The New York Abolitionists A Case Study Of Political Radicalism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The New York Abolitionists A Case Study Of Political Radicalism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The New York Abolitionists A Case Study Of Political Radicalism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The New York Abolitionists A Case Study Of Political Radicalism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The New York Abolitionists A Case Study Of Political Radicalism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The New York Abolitionists A Case Study Of Political Radicalism books and manuals for download and embark on your journey of knowledge?

FAQs About The New York Abolitionists A Case Study Of Political Radicalism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The New York Abolitionists A Case Study Of Political Radicalism is one of the best book in our library for free trial. We provide copy of The New York Abolitionists A Case Study Of Political Radicalism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The New York Abolitionists A Case Study Of Political Radicalism. Where to download The New York Abolitionists A Case Study Of Political Radicalism online for free? Are you looking for The New York Abolitionists A Case Study Of Political Radicalism PDF? This is definitely going to save you time and cash in something you should think about.
