The Nightingale Question Tessa Ransford, 2004 In 2002 poet Tessa Ransford and artist Joyce Gunn Cairns set off from Edinburgh with the aid of a travel grant from the Scottish Arts Council to visit Leipzig Tessa investigated the poetry scene and translated five of the poets whose work she admired while Joyce drew portraits of them and took photographs The poets featured here are Wulf Kirsten Thomas Rosenlocher Elmar Schenkel Andreas Reimann Uta Mauersberger and Tessa herself An anthology with a difference      **Edinburgh Companion to Contemporary Scottish Literature** Berthold

Schoene, 2007-04-11 The Edinburgh Companion to Contemporary Scottish Literature examines the ways in which the cultural and political role of Scottish writing has changed since the country's successful referendum on national self rule in 1997 In doing so it makes a convincing case for a distinctive post devolution Scottish criticism Introducing over forty original essays under four main headings Contexts Genres Authors and Topics the volume covers the entire spectrum of current interests and topical concerns in the field of Scottish studies and heralds a new era in Scottish writing literary criticism and cultural theory It records and critically outlines prominent literary trends and developments the specific political circumstances and aesthetic agendas that propel them as well as literature's capacity for envisioning new and alternative futures Issues under discussion include class sexuality and gender nationhood and globalisation the New Europe and cosmopolitan citizenship postcoloniality      *Scotland in Europe*, 2006-01-01 If there is ocht in Scotland that's worth ha'en There is nae distance to which it's unattached Hugh MacDiarmid A realignment of Scottish literary studies is long overdue The present volume counters the relative neglect of comparative literature in Scotland by exploring the fortunes of Scottish writing in mainland Europe and conversely the engagement of Scottish literary intellectuals with European texts Most of the contributions draw on the online Bibliography of Scottish Literature in Translation Together they demonstrate the richness of the creative dialogue not only between writers but also between musicians and visual artists when they turn their attention to literature The contributors to this volume cover most of Europe including the German speaking countries Scandinavia France Catalonia Portugal Italy the Balkans Hungary the Czech Republic and Russia All Scotland's major literary languages Gaelic Scots English and Latin are featured in a continent wide labyrinth that will repay further exploration      **PEN International**, 2005
