

If you understand that you'll see it when you believe it, then you know that there's a special intelligence in the universe behind everything that has life in it. When you're looking beyond what everybody else sees, all of a sudden you start seeing miracles happening. It's absolutely astounding to you! You get to a point where you see that you are much more than the stuff that you can get hold of. You're more than this form and what it can detect with its physical senses. You understand that who you are is much bigger, much greater, much more Divine than that.

When you see that special intelligence, or that special love, in all life, you think in accepting, loving, and kind ways toward everything and everyone. Before long you're creating new kinds of relationships and new kinds of excitement out of that love, and you're making things happen that you never thought could happen before. And then you are expecting miracles, instead of being surprised by them. You become truly awake, and your whole life changes.
