The October 13 1991 Legislative And Municipal Elections In Bulgaria:

The October 13, 1991 Legislative and Municipal Elections in Bulgaria National Democratic Institute for International Affairs,1992 **Historical Dictionary of Bulgaria** Raymond Detrez,2014-12-18 Bulgaria is a country of extraordinary beauty with high wild mountains and gentle valleys and with picturesque cities and idyllic villages It s bordered by Romania Serbia Macedonia Greece Turkey and the Black Sea After many years of communist rule Bulgaria adopted a democratic constitution and began the process of moving toward political democracy and a market economy while combating inflation unemployment corruption and crime The country joined NATO in 2004 and the EU in 2007 This third edition of Historical Dictionary of Bulgaria covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Bulgaria **Ethnopolitics in the New Europe** John T. Ishiyama,Marijke Breuning,1998 Applying a framework derived from comparative politics and IR theory the authors of this text explore two sets of empirical cases the emergence of new nationalisms in old European democracies and the re emergence of old nationalisms in several new democracies Public Finance and Post-Communist Party Development Janis Ikstens,2016-12-05 This key volume explores how party and campaign finance in post communist countries have influenced the development of the party system Based on an analysis of nine case studies the work examines how the implementation of public finance affects the pattern of party competition and the role of money in elections One of the lessons from the post communist experience is that no matter how well designed public finance systems are subject to constant revision as parties politicians and business elites exploit loopholes which can undermine the integrity of the entire system Party and campaign finance systems must therefore be considered in a larger discussion involving party regulation and electoral rules **The October 31, 1991 National Elections in Zambia** National Democratic Institute for International Affairs,1992 *The to Z of Bulgaria* Raymond Detrez,2010-05-10 Few states have fought as hard or as long to be established as that of the Republic of Bulgaria The Bulgarians have over the centuries created their own principalities kingdoms and republics only to have them crushed by stronger entities including the Byzantine and Ottoman Empires While recently the communist regime was largely dominated by and overly submissive to the Soviet Union Fortunately about 15 years ago a new republic arose which began revamping the economy reviving the political life and forging a new place in Europe The A to Z of Bulgaria contains more than 600 cross referenced entries on Bulgarian historical periods places terms organizations events and personalities The number of entries dealing with historical figures and events has been considerably enlarged and all of the entries of the first edition that have remained were carefully updated The newest insights of Bulgarian historiography as practiced in Bulgaria and abroad are also reflected In addition the book includes a brief introduction into Bulgarian history from the earliest times until mid 2005

including the formation of the current cabinet an easy reference chronology of Bulgarian history several maps and lists of Bulgarian political parties administrations and leaders A comprehensive bibliography is included to facilitate further reading on Bulgaria and Bulgarian history
