The Guide to Cooking Schools ShawGuides, Incorporated, 2001-08 *A.L.A. Catalog* American Library Association, 1904 *A.L.A. Catalog*, 1904 **The Wild Food Cookbook** Roger Phillips, 2014-07-21 Photographer and author Roger Phillips has compiled a wide ranging delectable guide to finding and cooking wild foods. Unlike other books that focus on foraging, Phillips gives detailed recipes and preparation instructions that are critical to cooking and enjoying wild foods. Phillips provides an appetizing and attractive selection of recipes using the many plants, mushrooms and seaweeds that are edible. Photos help bring these possibilities to life. Recipes range from syrups and teas to main courses. As we are beginning to rediscover the deep nutritional value of wild foods, the missing ingredient until now has been a reliable guide to deploying these healthy natural ingredients in the kitchen. The Wild Food Cookbook will admirably fill that niche. **The 2011 Guide to Free Or Nearly-Free E-Books**, 2011 One of the problems which face all librarians adding e books to their collections is that of bibliographic control: there is no legal deposit for e books and consequently there is no single place from which new titles can be found. If this is true of commercially published e books, it is most certainly also true of free e books and there are many thousands of free e books available over the Internet, many of which are of a quality such that librarians might wish to have them in their collections. The 2011 Guide to Free or Nearly Free e Books is offered as a tool for librarians and others involved in book selection: e.g. teachers in schools in all sectors, school further and higher education, public and special libraries to facilitate easy access to free e books and e book collections which can enhance their digital library. **A. L. A. Catalog**, 1904 **Restaurants and Catering** United States.
