the remains of grand residences tucked away beneath the mountains and speaks to local elders who share first hand memories of these bygone times Nowadays these old homes she discovers have become tumbledown dwellings for many African families school buildings or their ruins have almost disappeared without trace a revelation of the state of modern Africa that makes the gilded era of the Happy Valley set even more fantastic A book to set alongside such singular evocations of Africa s strange colonial history as *The Africa House* *The Ghosts of Happy Valley* is a mesmerising blend of travel narrative social history and personal quest
