D. Sir Roberts, 2022-09-15 *The Hunters of the Silences* is a collection of short stories about diverse wild animals The stories depict the natural scenery that these hunters of the silence are found in and the epic struggle of life as they face off in the duels of nature From the white polar bears of the Arctic north to the Great sharks of the Caribbean Sea to the mole shrews of the woodlands the book offers a phenomenal array of nature at its best Though the stories are fictional author Charles D Roberts boasts that some of the stories are inspired by his own observations in his past nature excursions **The Hunters of the Silences: A Book of Animal Life** Charles Roberts, 2017-03-19 *The Hunters of the Silences* Sir Charles George Douglas Roberts, 1920 *The Hunters of the Silences* Charles George Douglas Roberts, 2023-07-18 Enter the wild and beautiful world of North American wildlife with this stunningly illustrated book of animal life From bear cubs and wolves to birds of prey and grazing deer author Charles G D Roberts brings the creatures of the wild to life in all their glory A must read for nature enthusiasts and art lovers alike This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Hunters of the Silences** Charles George Douglas Roberts, 2017-12-19 Excerpt from *The Hunters of the Silences A Book of Animal Life* Such stories which offer in the form of fiction What my observations have compelled me to regard as fact I have presented my case already in the prefaces to *The Watchers of the Trails* and *Red Fox* To those prefaces I would add nothing here and from the conclusions therein stated I have nothing to retract I would merely take this occasion to reaffirm with confidence the belief which I find shared by practically all observers whose lives are passed in the closest relationship with animals by such vitally interested observers for instance as keepers trainers hunters

and trappers that the actions of animals are governed not only by instinct but also in varying degree by processes essentially

Roberts,1907 **Our Vanishing Wild Life: Its Extermination and Preservation** William T. Hornaday,2019-11-20 In *Our Vanishing Wild Life Its Extermination and Preservation* William T Hornaday presents a compelling examination of the rapid decline of North America s wildlife during the early 20th century Utilizing a meticulous blend of scientific observation passionate advocacy and vivid prose Hornaday brings to light the harrowing consequences of human encroachment and ecological mismanagement The book serves as both a cautionary tale and a rallying cry highlighting the importance of conservation in a changing world His arguments are rooted in the burgeoning environmental movement of his time framing wildlife preservation as a moral imperative for humanity William T Hornaday an eminent zoologist and conservationist played a significant role in shaping modern wildlife preservation efforts As the director of the New York Zoo and an early advocate for the establishment of national parks his firsthand experience with wildlife and its threats lent him the authority and urgency to advocate for its protection Hornaday s passionate writing stems from deep personal convictions about humanity s responsibility toward nature stemming from his extensive fieldwork and observations This essential reading is highly recommended for environmentalists historians and anyone interested in wildlife conservation Hornaday s timely insights remain relevant today urging readers to reflect on their role in protecting the natural world A blend of impassioned storytelling and scientific inquiry *Our Vanishing Wild Life* is both a historical document and a manifesto for the future
