The Healing Power A Handbook Of Alternative Medicine And Natural Health:

The Healing Power Nevill Drury, 1982-11 *The Healing Power* Nevill Drury, 1981-01-01 **Alternative Healthcare** Jack Raso, 2013-12-05 Raso examines the philosophical underpinnings of alternative medicine as well as hands on healing Qigong and faith healing He shows that whatever the specific philosophy the common denominator is a rejection of the scientific approach of modern medicine in favor of a belief in paranormal forces that influence the well being of mind and body The final section is a firsthand account of Raso s many revealing visits to various alternative healthcare practitioners The book concludes with an encyclopedic glossary of alternative healthcare terminology *Alternative Medicine* , 1995

The Healing Power Nevill Drury, John Newton, 1981 *The Complementary and Alternative Medicine Information Source Book* Alan Rees, 2001-03-30 From acupuncture to yoga the increasing popularity of unconventional medical therapies has risen sharply during the past decade Consumers are turning to complementary and alternative medicine CAM for a variety of reasons and are spending billions annually for treatments Recognizing the growing need to locate authoritative CAM information award winning author Alan M Rees has compiled a first stop resource for those seeking information to guide their decisions Noted health information expert Alan Rees organizes the best of complementary and alternative medicine CAM information resources in this new guide for librarians and patients The book is divided into twelve sections beginning with an overview of CAM terminology safety concerns ongoing research and education and the movement towards integrative medicine Best of lists of books magazines newsletters CD ROMs and professional publications are augmented with contact information for several hundred CAM associations and professional groups an extensive section on the Internet as a source of CAM related information and reviews of 355 popular books on CAM Librarians will use the Source Book as a collection development tool Consumers and students will find it an easy to use guide for locating hard to find resources about the latest in alternative medical therapies and treatments This unique volume brings together in one volume print and electronic resources pertaining to an in demand topic provides recommendations of authoritative sources of current information on a wide variety of unconventional medical therapies will fill the information gap in the rapidly growing field of CAM *Alternative Medicine* DIANE Publishing Company, 1995-07 *Planet Medicine: Modalities, Revised Edition* Richard Grossinger, 2000 Planet Medicine is a major work by an anthropologist who looks at medicine in a broad context In this edition additions to this classic text include a section on Reiki a comparison of types of palpation used in healing updates on craniosacral therapy and a means of understanding how different alternative medicines actually work Illustrated throughout this is the standard on the history philosophy and anthropology of this subject *Current Catalog* National Library of Medicine (U.S.), 1983 First multi year cumulation covers six years 1965 70 *Food, Morals and Meaning* John Coveney, 2002-01-04 Food Morals and Meaning examines our need to discipline our desires our appetites and our pleasures at the table However instead of seeing this discipline as dominant or oppressive it argues that a rationalisation of pleasure

plays a positive role in our lives allowing us to better understand who we are The book begins by exploring the way that concerns about food the body and pleasure were prefigured in antiquity and then how these concerns were recast in early Christianity as problems of natural appetite which had to be curbed The following chapters discuss how scientific knowledge about food was constructed out of philosophical and religious concerns about indulgence and excess in 18th and 19th Century Europe Finally by using research collected from in depth interviews with families the last section focuses on the social organisation of food in the modern home to illustrate the ways that the meal table now incorporates the principles of nutrition as a form of moral training especially for children Food Morals and Meaning will be essential reading for those studying nutrition public health sociology of health and illness and sociology of the body Key Features l Health sociology is a rapidly growing subject area **Textbook of Natural Medicine - E-Book** Joseph E.
