The Hedstroms And The Bethel Ship Saga Methodist Influence On Swedish:

The Hedstroms and the Bethel Ship Saga Henry Carl Whyman, 1992 The first book length biographical treatment of Olof Gustaf Hedstrom and his brother Jonas documents their work in spreading Methodism among Swedish immigrants to America Henry C Whyman discusses the Bethel Ship Saga a ministry unique in American immigrant history and examines the larger picture of the role of religion in nineteenth century European immigration to the United States The Bethel Ship a floating chapel in New York Harbor was the vehicle and headquarters for an effective ministry to immigrants arriving in America Olof Hedstrom a Methodist minister serving in the Catskill Mountain area was called to New York to organize and lead this endeavor Scripture and Song in Nineteenth-Century Britain James Grande, Brian H. Murray, 2023-11-16 This volume brings together new approaches to music history to reveal the interdependence of music and religion in nineteenth century culture As composers and performers drew inspiration from the Bible and new historical sciences called into question the historicity of Scripture controversies raged over the performance publication and censorship of old and new musical forms From oratorio to opera from parlour song to pantomime and from hymn to broadside nineteenth century Britons continually encountered elements of the biblical past in song Both elite and popular music came to play a significant role in the formation regulation and contestation of religious and cultural identity and were used to address questions of class nation and race leading to the beginnings of ethnomusicology This richly interdisciplinary volume brings together musicologists historians literary and art historians and theologians to reveal points of intersection between music religion and cultural history **Evangelicals at a Crossroads** Benjamin Loren Hartley, 2011 The story of Boston revivalism and social reform *Swedish Chicago* Anita Olson Gustafson, 2018-12-14 Between 1880 and 1920 emigration from Sweden to Chicago soared and the city itself grew remarkably During this time the Swedish population in the city shifted from three centrally located ethnic enclaves to neighborhoods scattered throughout the city As Swedes moved to new neighborhoods the early enclave based culture adapted to a progressively more dispersed pattern of Swedish settlement in Chicago and its suburbs Swedish community life in the new neighborhoods flourished as immigrants built a variety of ethnic churches and created meaningful social affiliations in the process forging a complex Swedish American identity that combined their Swedish heritage with their new urban realities Chicago influenced these Swedes lives in profound ways determining the types of jobs they would find the variety of people they would encounter and the locations of their neighborhoods But these immigrants were creative people and they in turn shaped their urban experience in ways that made sense to them Swedes arriving in Chicago after 1880 benefited from the strong community created by their predecessors but they did not hesitate to reshape that community and build new ethnic institutions to make their urban experience more meaningful and relevant They did not leave Chicago untouched they formed an expanding Swedish community in the city making significant portions of Chicago Swedish This engaging study will appeal to scholars and general readers interested in immigration and Swedish

American history **Charity and the Great Hunger in Ireland** Christine Kinealy, 2013-10-10 The Great Irish Famine was one of the most devastating humanitarian disasters of the nineteenth century In a period of only five years Ireland lost approximately 25% of its population through a combination of death and emigration How could such a tragedy have occurred at the heart of the vast and resource rich British Empire Charity and the Great Hunger in Ireland explores this question by focusing on a particular and lesser known aspect of the Famine that being the extent to which people throughout the world mobilized to provide money food and clothing to assist the starving Irish This book considers how helped by developments in transport and communications newspapers throughout the world reported on the suffering in Ireland prompting funds to be raised globally on an unprecedented scale Donations came from as far away as Australia China India and South America and contributors emerged from across the various religious ethnic social and gender divides Charity and the Great Hunger in Ireland traces the story of this international aid effort and uses it to reveal previously unconsidered elements in the history of the Famine in Ireland On to Perfection Carol M. Norén, 2021-10-21 What is distinctive about ministry in an immigrant community and how has it changed or remained the same over the last 150 years What happens to the individual and communal religious identity of immigrants in the process of assimilation into the dominant denominational and social culture On to Perfection explores a neglected doctrine and a largely forgotten chapter in Methodist history through the eyes of Nels O Westergreen a nineteenth century Swedish immigrant preacher in the United States **William Taylor and the Mapping of the Methodist Missionary Tradition** Douglas D. Tzan, 2019-10-16 This book is the first critical biography of William Taylor a nineteenth century American missionary who worked on six continents Following Taylor's global odyssey the volume maps the contours of the Methodist missionary tradition and illumines key historical foundations of contemporary world Christianity A work of social history that places a leading Methodist missionary in the foreground this narrative illustrates distinctive aspects and tensions within Methodist missions such as the importance of doctrines like universal atonement and entire sanctification a deeply pragmatic orientation rooted in God's providence an embrace of both entrepreneurial initiatives and networked connection and the use of revivalism for missionary outreach and leadership development A Virginia native Taylor became a Methodist preacher and missionary in California This volume provides an important narrative account of Taylor's career as an itinerant revivalist and popular author in which he toured the eastern United States the British Isles and Australasia Taylor's participation in the South African revival made him an evangelical celebrity The author also follows Taylor's important visits to India and South America where he initiated new Methodist missions in those contexts and pioneered the concept of tentmaking missions In 1884 Taylor was elected missionary bishop of Africa by his church By the end of his life Taylor had recruited or inspired hundreds of Methodists to become foreign missionaries **A Folk Divided** Hildor Arnold Barton, 1994 What happens to a people when it becomes divided and separated through a great overseas migration how do the two parts of such a divided people relate to each other What ideas

do they have regarding each other as the process continues and as time and circumstance cause them to develop in separate ways of their own The purpose of this book is to seek answers to such questions in the case of the Swedes during the period of their great migration between roughly 1840 and 1940 Pref *Swedish American Genealogist* ,1999 *Famine Pots* LeAnne Howe,Padraig Kirwan,2020-10-01 The remarkable story of the money sent by the Choctaw to the Irish in 1847 is one that is often told and remembered by people in both nations This gift was sent to the Irish from the Choctaw at the height of the potato famine in Ireland just sixteen years after the Choctaw began their march on the Trail of Tears toward the areas west of the Mississippi River Famine Pots honors that extraordinary gift and provides further context about and consideration of this powerful symbol of cross cultural synergy through a collection of essays and poems that speak volumes of the empathy and connectivity between the two communities As well as signaling patterns of movement and exchange this study of the gift exchange invites reflection on processes of cultural formation within Choctaw and Irish society alike and sheds light on longtime concerns surrounding spiritual and social identities This volume aims to facilitate a fuller understanding of the historical complexities that surrounded migration and movement in the colonial world which in turn will help lead to a more constructive consideration of the ways in which Irish and Native American Studies might be drawn together today *The Swedish-American Historical Quarterly* ,1996 *Swedish-American Historical Quarterly* ,1997 **Sweden & America** ,1991 *Missiology* ,1993 An international review *Dictionary of Literary Biography Yearbook* ,1995 **Subject Guide to Books in Print** ,1996 *Journal of Illinois History* ,2002 *Scandinavica* Elias Bredsdorff,1994 *Illinois Documents List* ,1991 *Publications of the State of Illinois* ,1993
