The People Are

Dancing Again Charles Wilkinson,2012-02-01 The history of the Siletz is in many ways the history of all Indian tribes in America a story of heartache perseverance survival and revival It began in a resource rich homeland thousands of years ago and today finds a vibrant modern community with a deeply held commitment to tradition The Confederated Tribes of Siletz Indians twenty seven tribes speaking at least ten languages were brought together on the Oregon Coast through treaties with the federal government in 1853 55 For decades after the Siletz people lost many traditional customs saw their languages almost wiped out and experienced poverty killing diseases and humiliation Again and again the federal government took great chunks of the magnificent timber rich tribal homeland a reservation of 1 1 million acres reaching a full 100 miles north to south on the Oregon Coast By 1956 the tribe had been terminated under the Western Oregon Indian Termination Act selling off the remaining land cutting off federal health and education benefits and denying tribal status Poverty worsened and the sense of cultural loss deepened The Siletz people refused to give in In 1977 after years of work and appeals to Congress they became the second tribe in the nation to have its federal status its treaty rights and its sovereignty restored Hand in glove with this federal recognition of the tribe has come a recovery of some land several hundred acres near Siletz and 9 000 acres of forest and a profound cultural revival This remarkable account written by one of the nation s most respected experts in tribal law and history is rich in Indian voices and grounded in extensive research that includes oral tradition and personal interviews It is a book that not only provides a deep and beautifully written account of the history of the Siletz but reaches beyond region and tribe to tell a story that will inform the way all of us think about the past Watch the book trailer <https://www.youtube.com/watch?v=NEtAIGxp6pc>

Mirrindal is at war with its greatest nemesis the realm has ever faced Meuryk the Shadow Wizard invades the realm out of vengeance for his banishment of practicing the Dark Arts of magic Alder a wizard of the Earth Order is sent on a quest to locate a farm boy named Erec He must safely guide Erec through the long journey to the Mirrindal kingdom where the cure

to his mother's deadly illness grows During Erec's search for the rare Mirindus Plant Alder must aid Mirrindal's army to stand against Meuryk's legions of loyal mercenaries As Erec and the wizard travel to Mirrindal they meet along the way Jehan of Ossnan champion knight of the kingdom of Southern Roun The knight accepts a perilous quest by Northern Roun's King Thibault to vanquish Meuryk and return with the head of the Shadow Wizard's staff Only then can Jehan and the king's daughter Princess Katherine be reunited after years of being forced apart by their feuding kingdoms *I Don't Hope. I Don't Wish. I am.* Robert S. Velves, This is not just a book it's a survival guide A manifesto for the huddled masses the casualties of love's cruelty the ghosted abandoned and henpecked The ones who still hear the echoes of nagging even in their dreams For centuries men have fallen from the Garden of Eden to the Starbucks drive thru all victims of Simp's relentless grip But fear not The words of Oraculon Symboth passed down through the ages shall now be revealed The solution to your Simp induced existence bulletized for maximum clarity crafted for your redemption Sigma wisdom is merely the beginning For the true path leads elsewhere And in the final epilogue a revelation awaits one no Simp will see coming The Hero's Quest and the Cycles of Nature Rachel S. McCoppin, 2016-10-13 This examination of the heroic journey in world mythology casts the protagonist as a personification of nature a botanical hero one might say who begins the quest in a metaphorical seed like state then sprouts into a period of verdant strength But the hero must face a mythic underworld where he or she contends with mortality and sacrifice embracing death as a part of life For centuries humans have sought superiority over nature yet the botanical hero finds nothing is lost by recognizing that one is merely a part of nature Instead a cyclical promise of continuous life is realized in which no element fully disappears and the hero's message is not to dwell on death
