Stuart Blackburn,1996-05-28 Stuart Blackburn takes the reader inside a little known form of shadow puppetry in this captivating work about performing the Tamil version of the Ramayana epic Blackburn describes the skill and physical stamina of the puppeteers in Kerala state in South India as they perform all night for as many as ten weeks during the festival season The fact that these performances often take place without an audience forms the starting point for Blackburn s discussion one which explores not only this important epic tale and its performance but also the broader theoretical issues of text interpretation and audience Blackburn demonstrates how the performers adapt the narrative and add their own commentary to re create the story from a folk perspective At a time when the Rama story is used to mobilize political movements in India the puppeteers elaborate recitation and commentary presents this controversial tale from another ethical perspective one that advocates moral reciprocity and balance While the study of folk narrative has until now focused on tales tellers and tellings this work explores the importance of audience absent or otherwise Blackburn s elegant translations of the most dramatic and pivotal sequences of the story enhance our appreciation of this unique example of performance art

Dharma, Disorder and the Political in Ancient India Adam Bowles,2007-10-15 The paddharmaparvan the book on conduct in times of distress is an important section of the great Sanskrit epic the Mah bh rata which despite its significance for Mah bh rata studies and for the history of Indian social and political thought has received little attention in scholarly literature This book places the paddharmaparvan within its literary and ideological contexts In so doing it explores the development of a conception of brahmanic kingship morally justifiable within the terms of a debate largely set by various alternative social movements of the period This book further explores the implications for our understanding of the Mah bh rata that follow from the paddharmaparvan s presentation as a poetically cohesive unit within itself and within the wider parameters of the Mah bh rata

Estonia The third chapter scrutinizes the emergence of the text in more detail and in its second part takes a closer look at the many intertextual connections and the traces the epic material has left in Estonian literature up to the present time The fourth chapter is a detailed case study of one debated passage of the fifteenth tale The fifth and the six chapters deal with the German reception of the epic which partly took place earlier than the reception in Estonia In the fifth chapter the first reviews and an early treatise by the German scholar Wilhelm Schott 1863 are discussed The sixth chapter presents the new genre of rewritings of the epic texts which cannot be labelled as translations but are rather new creations on the basis of Kreutzwald's text In the seventh chapter several versions of these retellings and adaptations are compared in order to show the stability of some core material conveyed by various authors A concluding chapter stresses the significance of foreign reception in the canonization process of the Kalevipoeg At the end a comprehensive bibliography and an index are added
