The New Sex Therapy Active Treatment Of Sexual Dysfunctions

Helen Singer Kaplan

The New Sex Therapy Active Treatment Of Sexual Dysfunctions:

The New Sex Therapy Helen Singer Kaplan, 1974 First Published in 1975 Routledge is an imprint of Taylor Francis an informa company

The New Sex Therapy Helen Singer Kaplan, 1974 In recent years the work of Kinsey Masters and Johnson and other investigators has led to tremendous advances in our understanding of human sexuality This increased understanding is currently being translated into innovative new approaches to the treatment of sexually dysfunctional men and women with often dramatic results in relieving the distressing sexual symptoms of countless individuals who were formerly beyond help even with years of costly psychotherapy Now a noted psychiatrist and specialist in the new sex therapy describes for the first time the new treatment of the sexual dysfunctions providing a clear picture of the entire process of treatment as well as conceptualizing the theory underlying it The author's method is unique in that it represents an integration of psychoanalytic and sex therapy techniques It treats the couple on an outpatient basis and is applicable to office practice as well it focuses on relief of the sexual problem and attaining improved sexual functioning and it is multicausal and eclectic in orientation combining psychoanalytic and learning theories and techniques through the integration of assigned sexual tasks which the couple conducts at home with conjoint psychotherapeutic sessions in the doctor's office Treatment is usually brief requiring only six to fifteen visits for most couples This comprehensive volume covers the anatomy and physiology of the sexual response including the role of hormones and the brain with 13 anatomical and schematic illustrations the biological and psychological causes of sexual dysfunction and the basic principles and procedures of sex therapy Discarding the pejorative terms impotence and frigidity the author classifies the six major sexual dysfunctions as in Men Erectile Dysfunction Premature Ejaculation and Retarded Ejaculation in Women General Sexual Dysfunction Orgastic Dysfunction and Vaginismus For each of these the author describes the immediate and deeper causes the specific sexual tasks assigned the therapist couple interaction in the therapeutic sessions and the results of treatment Thirty nine detailed case studies supplement the text and seven drawings by internationally known artist Betty Dodson illustrate the sexual tasks most frequently prescribed Another major contribution of this volume is a group of tables showing the effects on male and female sexuality of a broad spectrum of drugs and physical illnesses The interrelationship of sexual dysfunction and marital discord contraindications for sex therapy the handling of psychiatric disorders in patient or partner and the qualifications of sex therapists are among the many ramifications of the new sex therapy which are analyzed by Dr Kaplan Evidence now suggests she says that sexual problems while they may of course be manifestations of profound emotional disturbance or mental illness are not invariably so but also commonly occur in persons who function well in other areas and have no other psychological symptoms For many patients the new brief forms of intervention are far more effective than the traditional psychiatric approaches In sum this is a comprehensive and highly professional volume which places treatment of the sexual dysfunctions on a solid scientific basis

The New Sex Therapy Helen Singer Kaplan, 1981 The new sex therapy : active

treatment of sexual dysfunctions, [door] Helen Singer Kaplan, New York, Brunner/Mazel Publ., 1974 Hein de Jong, 1977

The new sex therapy Helen Singer Kaplan, 1977 New Sex Therapy Helen Singer Kaplan, 2013-10-28 First published in 1975 The last two decades have brought remarkable advances in our knowledge of human sexuality These data are in the process of being assimilated into the main body of psychiatric thought which is being greatly enriched thereby Our increased understanding of sexuality is also currently being translated into innovative new approaches to the treatment of sexual difficulties These developments promise relief to many persons with distressing sexual problems who were previously thought to be beyond help At the present time the specific approach to sex therapy described in this volume is being employed further developed and most important systematically evaluated at the Sex Therapy and Education Program of the Payne Whitney Psychiatric Clinic of the Cornell University New York Hospital Center The Cornell program is psychiatrically oriented It regards sex therapy as a specialized branch of psychotherapy The Clinic conceives of sexual dysfunctions as psychosomatic symptoms and its orientation is multicausal and eclectic in that it believes that sexual dysfunctions are the product of multiple etiologic factors and our treatment armamentarium comprises an amalgam of experiential behavioral and dynamically oriented modalities Management of Sexual Dysfunction in Men and Women Larry I. Lipshultz, Alexander W. Pastuszak, Andrew T. Goldstein, Annamaria Giraldi, Michael A. Perelman, 2016-07-05 This book provides a comprehensive state of the art review of the intersection of male and female reproductive and sexual health The text comprehensively discusses the evaluation and management of physical genetic and psychological causes of male and female sexual dysfunction Discussion of treatment focuses on current medical and surgical psychosexual therapies in both the male and female The book highlights erectile ejaculatory and orgasmic disorders in the male desire arousal and orgasmic disorders in the female and an integrated approach to the couple Lifestyle modifications through diet and exercise and optimization of anthropomorphic characteristics are also discussed including a holistic approach to these disorders that goes beyond a focus on the genital system alone Sexual Dysfunction in Men and Women An Interdisciplinary Approach serves as a resource for physicians and researchers interested in sexual medicine seeking a comprehensive overview of the practice and novel research in the field Sex Therapy Handbook E.C. Krohne, 2012-12-06 Working with Sexual Issues in Psychotherapy Desa Markovic, 2017-08-25 Whilst many psychotherapists work skilfully and creatively with the subject of sex the lack of professional support systems such as training and supervision mean that the topic is often still treated as taboo in the psychotherapy room This secretive treatment may increase clients feelings of shame and embarrassment thus mirroring the confusing views on sexuality in society and leading to the onset and development of sexual dysfunctions Bringing the medical perspective of sexology together with systemic psychotherapy informed by social constructionism this timely book seeks to fill the gap in psychotherapy literature research and training by providing a theoretical framework as well as practical guidance for effective therapeutic interventions in working with sex and sexual relationships in clinical practice Exploring

topics such as sexual prejudice the significance of sexual diversity and the assessment and treatment of sexual dysfunctions enriched with a wealth of engaging case studies *Working with Sexual Issues in Psychotherapy* is a fascinating and important read both for students new to this complex topic and for practitioners looking for a comprehensive source of reference

Sexuality Across the Life Course Alice S. Rossi, 1999-06-04 How does sexual behavior change over one's life span How does sexual satisfaction affect the quality and stability of marriage How has the AIDS epidemic affected sexual attitudes in America over the past three decades In this wide reaching volume distinguished sociologist Alice S Rossi addresses these questions and others through fourteen diverse essays on sexual behavior covering adolescence through old age and studying such groups as singles married couples and homosexuals This extensive study also explores the effects of chronic disease and medication on sexual functioning recent developments in psychotherapy for sexual problems and sexual abuse of children incest and rape The interdisciplinary nature of the project has resulted in a text that is accessible to anyone with a behavioral science background Well written well edited and well received by this reviewer Joan C Chrisler *Journal of Sex Marital Therapy* This is a book that needs to be on the bookshelf of any AIDS researcher AIDS Book Review Journal
