The New Testament Church Its Ministries:

Church, Ministry, and Sacraments in the New Testament C. K. Barrett, 2005-01-18 In a nontechnical manner noted New Testament scholar C K Barrett here sets forth his mature understanding of the passages in the New Testament which refer to the church its ministry and its sacraments How far are these concepts central or secondary in the New Testament How do the beliefs and practices of apostolic days relate to later developments Bringing the fruits of his widely respected scholarship to bear on these questions Barrett shows that these are not mere theoretical issues but are of crucial importance for inter church cooperation and reunion The New Testament Church William Henry Harrison Marsh, 1898

A New Kind of Church Aubrey Malphurs, 2007-02-01 There is no shortage of books these days on new ways of doing church New church models have been both warmly embraced and roundly criticized What are church leaders and others concerned about the state of the church to make of all this Does the Bible prescribe a standard model for doing church Or is there freedom within certain guidelines In A New Kind of Church respected church consultant Aubrey Malphurs addresses these important questions and suggests that there is room for new ways of doing ministry while being true to Scripture In the process he offers a theological and interpretive framework for evaluating any church model new or old He also offers suggestions for implementing change in the local church

In Search of the New Testament Church C. Douglas Weaver, 2008 When John Smyth organized the first Baptist church he wanted to establish the New Testament church believer s baptism was the missing link Baptists of subsequent eras often continued the search to embody New Testament Christianity Unique to surveys of Baptist life Doug Weaver highlights this restorationist theme as a way to understand Baptist identity Weaver does not force the theme but the search is ever present It is found in the insistence upon

believer's baptism but also in examples like the Sabbath worship of Seventh Day Baptists the nine rites of colonial Separate Baptists the women preachers of Free Will Baptists the trail of blood of Landmarkism the social gospel of Walter Rauschenbusch the fundamentals of fundamentalism and the ministry of the European pioneer Johann Oncken Like other recent Baptist studies Weaver describes Baptist diversity Still he highlights the persistent commitment of most Baptists to an informal constellation of Baptist distinctives Alongside the quest for the New Testament church and congregational community Weaver especially highlights the Baptist commitment to religious liberty and the individual conscience This emphasis while later reinforced by Enlightenment ideals could already be found in the biblicist piety of the earliest Baptists who insisted that individual believers must have the right to choose their religious beliefs because they would stand alone before God at the final judgment Both chronological and thematic this book addresses such themes as the role of women the social gospel ecumenism charismatic influences and theological emphases in Baptist life The book's focus is America but it also includes helpful introductory chapters on early English Baptists and international Baptists *The Ministry of the New Testament and the Teaching and Fellowship of the Apostles* Witness Lee, 1993-04 *The Christian Advocate*, 1927

Conflict and Agreement In the Church, 2 Volumes Thomas F. Torrance, 1996-11-16 A collection of essays articles and article reviews that arise directly or indirectly out of Torrance's involvement in the ecumenical movement Ours must be the task of learning together again how to confess like the early Church faith in Jesus Christ as Saviour and God in all its breadth and length and height and depth and therefore in the overflowing love of God Only in glorification of God the Son and in actual encouragement of the Gospel can we produce as a paragon a doctrine of the Church in which our differences are lost sight of because they are destroyed from behind by a masterful faith in the Saviour of men From the Introduction
