Lindsay Rowlands MHA and Stacey B Lee JD      The Savvy Woman's Guide to Menopause Julia Schlam Edelman, 2025-10-14

A practical guide to mastering menopause before, during, and beyond the change and thriving through the transition. The Savvy Woman's Guide to Menopause is the definitive guide to navigating the physical, mental, and emotional changes associated with menopause. With over 30 years of experience as a gynecologist and menopause clinician, Dr. Julia Edelman provides evidence-based advice for managing symptoms and preventive health strategies through a variety of approaches, including lifestyle adjustments, hormonal and non-hormonal treatments, and alternative remedies. This book empowers readers to understand the latest information about optimizing their health in midlife and beyond by addressing critical topics like cancer prevention and the impact of cultural, medical, and demographic factors on women's health as they relate to perimenopause, menopause, and postmenopause. This guide features practical strategies for managing hot flashes, sleep disturbances, mood changes, memory challenges, and other common menopause symptoms. Comprehensive insights into hormonal and non-hormonal treatments, alternative remedies, and precision medicine for personalized care. Guidance on lifestyle choices and medical strategies to reduce the risk of cancer, cardiovascular issues, osteoporosis, and diabetes. Exploration of how age, sex, race, and sexual orientation influence menopause experiences and treatment options. Whether you're seeking relief from symptoms or looking to optimize your health during menopause and beyond, this book offers insightful and compassionate guidance tailored to your unique journey.

**The Smart Woman's Guide to Midlife and Beyond** Janet Horn, Robin Miller, 2008

Smart women understand that taking care of their health is essential to maintaining an active lifestyle. This comprehensive guide shows you how to work with your body instead of against it to stay healthy and happy through menopause and beyond. Written by two practicing doctors who have been close girlfriends since they met during medical training at the Johns Hopkins Hospital, *The Smart Woman's Guide to Midlife and Beyond* includes the doctors' own personal experiences, patient stories from their medical practices, and all the information you need to age with good health, grace, and humor. Includes the information you need to:

- Care for your whole body to prevent common diseases
- Learn which health issues are normal, which are serious, and what to do about them
- Overcome memory loss, depression, and anxiety
- Understand menopause and hormone replacement therapy
- Nourish and protect your skin and hair
- Choose the right vitamin supplements for you
- Find out whether or not treatments like massage and acupuncture will work for you
- Know when to share your concerns with your doctor or healthcare practitioner
- Create a personal Health Maintenance Schedule to keep your health on track

*The Smart Woman's Guide to Midlife and Beyond* is a complete, holistic, and state-of-the-art road map for any woman who is motivated to become a more effective steward of her health. The authors' relaxed, personal, and insightful style makes critical health information accessible. This book is a must-have for any woman inspired to improve her health trajectory.

Mark C. Pettus, MD, FACP, medical director of the Kripalu Institute for Integrated Healing and author of *It's All in Your Head*. There is no doubt that women past the age of fifty have different health issues than younger women, a fact often

overlooked by many physicians These women need to know how to care for their maturing bodies Drs Horn and Miller explore the full spectrum of mature women s health issues in a candid conversational manner that integrates the body mind and spirit A much needed book Kevin Soden MD host of Healthline on Retirement Living Television I have often wished that there were a doctor in my family I could ask for health advice If you have shared this desire you ll love this book It s a practical insider s guide to what maturing women need to be thinking about and it s written as though the authors were concerned friends talking with you Drs Horn and Miller have superb training and years of practical experience caring for women patients It shows on every page of this excellent book Judge Glenda Hatchett star of the nationally syndicated television program Judge Hatchett The authors approach is accessible and entertaining These are the doctor girlfriends you want to call because they know everything about the area of your concern not only from their medical practices but also from their own personal experiences Robin Wolaner founder of Parenting magazine and founder and CEO of TeeBeeDee tbd com an online network for people over forty This is the girlfriends guide to taking charge of your health And these girlfriends are doctors A winning combination Ari Brown MD pediatrician and author of Baby 411
