The Next Visitor To Planet Earth:

The Next Visitor to Planet Earth Michael Esses, 1975 **A Visit To Planet Earth** ,Jim,Rebecca Stratton,2021-03-11 A Visit to Planet Earth is a commentary in summary form of the Holy Bible and its principles as viewed by Sam Hartfield who passed away in 2010 Jim Stratton and his wife Rebecca Sam s sister have written this book from notes and conversations with Sam in the years before his death We sincerely hope that this little book will not only give you insight into a basic interpretation of the Bible s core values but also that it will help you connect some of those values with the inspired Word of God Our country was founded on basic laws expressed in the Word and are ones that our country should hold near and dear It is our wish that you find peace solace and joy within these pages *Time & Again* David S. Nevarez,2017-11-22 The books story is based on a legend told by a shaman medicine man to a group of children with the intent of retaining epic stories of brave and heroic Mescalero Apache men within the tribe The story is supposedly true The story is about an incident that happened to a ten year old Apache boy during the Spanish conquistadores time on or about the year 1550 A good abduction was made by Apache spirits to heal the boy from injuries that happened to him when he did a heroic act by saving a little girls life from great harm The boy was taken by the spirits to be healed and returned sixty years later but the boy still looked ten years old The Apache spirits appear to have been aliens from outer space Aliens came to planet earth a number of times The aliens returned one last time to help planet earth from doom or destruction approximately 450 years later The story is about how what and why the aliens came to assist planet earth *Notes of a Tourist on Planet Earth* J.D.
