Rise of the Sandshadow Kara Bartley,2017-09-26 One month after her harrowing adventure with a vengeful ancient spirit Jenna Matthews is once again forced to confront her fears when a new evil appears in her world With fiercely severed family ties and creatures thirsty for blood Jenna must trust those around her as she prepares for the biggest battle of her life Els Orfés 1811,2018-01-10 Leren s sacrifice has ensured Zakua s activities come to a halt But his return is probable if he is not stopped and it will be a havoc once again If so this time it will be the end of the entirety On the celestial body C u which orbits Oqaxazi Arka the god himself as he can t kill Zakua needed one to do the job on his behalf to execute his plan But who will it be Out of kabillion galaxies and gazillion planets who will make it Why would someone leave their home planet to help Arka Even if someone does how will it be to become skill filled to defeat the evil heads Will it be really suffice *The Abbot of Morpheus* Gerfarer,2025-10-29 Between the waking world and the quiet depths of sleep lies Morpheus the vast dreamscape of the soul Here a weary Seeker encounters the Abbot a serene voice of timeless wisdom who speaks not as a teacher but as one who remembers Their exchange becomes a mirror of consciousness itself a conversation between ignorance and insight silence and speech time and eternity Through luminous dialogue and poetic reflection The Abbot of Morpheus guides readers into the contemplative heart of existence The Abbot unveils the illusions of ego and identity the deceits of culture and belief and the subtle nature of divine love that binds all things The Seeker s questions become the reader s own as every word unfolds a deeper remembrance of unity and stillness Written in the tradition of The Prophet by Kahlil Gibran Siddhartha by Hermann Hesse and the meditative teachings of Alan Watts and Eckhart Tolle Gerfarer s voice emerges as both ancient and new philosophical yet tender universal yet intimate This second edition refines and expands upon the original 2024 self published release offering greater thematic clarity polished prose and an enriched glossary of original spiritual language drawn from the author s contemplative cosmology Neither sermon nor scripture The Abbot of Morpheus is an invitation to look inward rather than outward to awaken within the dream and to remember that the holy and the eternal dwell within one s own being For seekers of meaning beyond religion for readers drawn to silence mysticism and the philosophy of consciousness this work offers a rare union of poetry and metaphysics It is a text to be savored slowly returned to often and allowed to speak in the silence
