Guys Eddie James and Tommy Woodard have tested these skits on teenagers around the country and they've brought together some of the best for this great resource. Plus they give you everything you need for each skit: overview, characters, location, Scripture reference, props, direction pointers, and a complete script. The Skit Guys avoid the cheesy dialogues and scenes typically found in Christian dramas and instead bring fun characters, witty scripts, and entertaining situations to their skits, all categorized by Skits for Idiots (it would take an idiot not to be able to do them right), Monologues, Duets, Ensembles, Comedy, Drama, Scripture Readings. THE SKIT GUYS are Eddie James and Tommy Woodard, two high school friends who love to communicate God's Word in dynamic and captivating ways through the use of drama, teaching, and comedy. They've been involved in various ministries and impacting lives for more than a decade. The duo has written numerous dramas, plays, and humorous skits that cover a wide variety of topics. They're the authors of Instant Skits along with their own Skit Guys resources. Eddie James has coauthored four volumes of the Videos That Teach series with Doug Fields. **The**

Non-Runner's Marathon Trainer David Whitsett, Forrest Dolgener, Tanjala Kole, 1998-01-11. Athlete, Runner, Marathoner. Are these words you wouldn't exactly use to describe yourself? Do you consider yourself too old or too out of shape to run a marathon? But somewhere deep inside, have you always admired the people who could reach down and come up with the mental and physical strength to complete such a daunting and rewarding accomplishment? It doesn't have to be somebody else crossing the finish line. You can be a marathoner. The Non-Runner's Marathon Trainer is based on the highly successful marathon class offered by the University of Northern Iowa, which was featured in a Runner's World article titled "Marathoning 101." The class has been offered five times over 10 years, and all but one student finished the marathon. That is approximately 200 students, all first-time marathoners and many with absolutely no running background. This book follows the same 16-week, four-day-a-week workout plan. What makes the success rate of this program so much higher than any other? The special emphasis on the psychological aspects of endurance activities. You don't have to love to run; you don't even have to like it, but you have to realize that you are capable of more than you have ever thought possible. One participant in the program explained it like this: "I'm doing this for me, not for others or the time clock. I just feel better when I run, plus it helps me to cope with things in general. The skills we've learned in this class don't apply just to marathoning; they apply to life. Just like you never know what the next step in a marathon will bring, so too you never know what will happen next in life. But if you don't keep going, you're never going to find out. By staying relaxed, centered, and positive, you handle just about anything that comes your way. This is marathon running for real people, people with jobs and families and obligations outside of running. The Non-Runner's Marathon Trainer has proven successful for men and women of all ages. Now let it work for you." *The First 20 Minutes* Gretchen Reynolds, 2013-04-30.
