THE NORTHERN AND CENTRAL NOOTKAN TRIBES PHILIP DRUCKER,1951 *Northern and Central Nootkan Tribes*, by Philip Drucker. [*Bureau of American Ethnology Bulletin 144.*] ,1949 [The Northern and Central Nootkan Tribes](#) Philip Drucker, **The Northern and Central Nootkan Tribes (Classic Reprint)** Philip Drucker,2016-06-27 Excerpt from The Northern and Central Nootkan Tribes The material for this report was collected in 1935 36 with the assistance of a pre doctoral Research Fellowship granted by the Social Science Research Council The research problem was to determine the bases of social stratification I had no intention of diverging from the specific problem to collect data for a general ethnography but I soon found that the societal factors could not be isolated without forcing the material For example with various economic property rights as important as they were to the status of the nobles or chiefs the fact that a chief owned a salmon trap of one kind and a man of lesser rank a trap of another type makes it necessary for the field worker to learn what the different types of salmon traps were to see if there was anything of significance in the two specific cases he has recorded Again one cannot evaluate the significance of the ownership of particular ritual privileges by chiefs without knowing the whole ceremonial Before long I found that my quest for the basic forces of social organization were leading me into all phases of the culture economy technology ceremonialism and the rest so I ended up trying to round out the picture The aim however was always to relate these topics to the problems of the social structure About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

NORTHERN AND CENTRAL NOOTKAN TRIBES PHILIP. DRUCKER,2018 **Indians of the North Pacific Coast** Tom McFeat,1989 Culture and tradition of the Indians of the Pacific Northwest [The Northern and Central Nootkan Tribes](#) Philip Drucker,1951 Account of Indians of west coast of Vancouver Island [Islands of Truth](#) Daniel Clayton,2011-11-01 In *Islands of Truth* Daniel Clayton examines a series of encounters with the Native peoples and territory of Vancouver Island in the late eighteenth and early nineteenth centuries Although he focuses on a particular region and period Clayton also meditates on how representations of land and people and studies of the past serve and shape specific interests and how the dawn of Native Western contact in this part of the world might be studied 200 years later in the light of ongoing struggles between Natives and non Natives over land and cultural status Between the 1770s and 1850s the Native people of Vancouver Island were engaged by three sets of forces that were of general importance in the history of Western overseas expansion the West s scientific exploration of the world in the Age of Enlightenment capitalist practices of exchange and the geopolitics of

nation state rivalry Islands of Truth discusses these developments the geographies they worked through and the stories about land identity and empire stemming from this period that have shaped understanding of British Columbia's past and present Clayton questions premises underlying much of present B C historical writing arguing that international literature offers more fruitful ways of framing local historical experiences Islands of Truth is a timely provocative and vital contribution to post colonial studies
