MacKinnon**

The Nova Scotia Song Collection:

The Nova Scotia Song Collection Allister MacGillivray, John C. O'Donnell, 1989-01-01 **Dictionary of Cape Breton English** William John Davey, Richard P. MacKinnon, 2016-10-27 Biff and whiff baker's fog and lu sknikn pie social and milling frolic these are just a few examples of the distinctive language of Cape Breton Island where a puck is a forceful blow and a Cape Breton pork pie is filled with dates not pork The first regional dictionary devoted to the island's linguistic and cultural history the Dictionary of Cape Breton English is a fascinating record of the island's rich vocabulary Dictionary entries include supporting quotations culled from the editors' extensive interviews with Cape Bretoners and considerable study of regional variation as well as definitions selected pronunciations parts of speech variant forms related words sources and notes giving the reader in depth information on every aspect of Cape Breton culture A substantial and long awaited work of linguistic research that captures Cape Breton's social economic and cultural life through the island's language the Dictionary of Cape Breton English can be read with interest by Backlanders Bay byes and those from away alike *Cape Breton in the Long Twentieth Century* Lachlan MacKinnon, Andrew Parnaby, 2024-03-26 The emergence dominance and alarmingly rapid retreat of modernist industrial capitalism on Cape Breton Island during the long twentieth century offers a particularly captivating window on the lasting and varied effects of deindustrialization Now at the tail end of the industrial moment in North American history the story of Cape Breton Island presents an opportunity to reflect on how industrialization and deindustrialization have shaped human experiences Covering the period between 1860 and the early 2000s this volume looks at trade unionism state and cultural responses to deindustrialization including the more recent pivot towards the tourist industry and the lived experiences of Indigenous and Black people Rather than focusing on the separate or distinct nature of Cape Breton contributors place the island within broad transnational networks such as the financial world of the Anglo Atlantic the Celtic music revival the Black diaspora Canadian development programs and more In capturing the vital elements of a region on the rural resource frontier that was battered by deindustrialization the histories included here show how the interplay of the state cultures and transnational connections shaped how people navigated these heavy pressures both individually and collectively **Contemporary Musical Expressions in Canada** Anna Hoefnagels, Judith Klassen, Sherry Johnson, 2020-01-16 Music and dance in Canada today are diverse and expansive reflecting histories of travel exchange and interpretation and challenging conceptions of expressive culture that are bounded and static Reflecting current trends in ethnomusicology Contemporary Musical Expressions in Canada examines cultural continuity disjuncture intersection and interplay in music and dance across the country Essays reconsider conceptual frameworks through which cultural forms are viewed critique policies meant to encourage crosscultural sharing and address ways in which traditional forms of expression have changed to reflect new contexts and audiences From North Indian kathak dance Chinese lion dance early Toronto hip hop and contemporary cantor practices within the Byzantine Ukrainian Church in Canada to folk music

performances in twentieth century Quebec Gaelic milling songs in Cape Breton and Mennonite songs in rural Manitoba this collection offers detailed portraits of contemporary music practices and how they engage with diverse cultural expressions and identities At a historical moment when identity politics multiculturalism diversity immigration and border crossings are debated around the world Contemporary Musical Expressions in Canada demonstrates the many ways that music and dance practices in Canada engage with these broader global processes Contributors include Rebecca Draisey Collishaw Queen s University Meghan Forsyth Memorial University of Newfoundland Monique Giroux University of Lethbridge Ian Hayes Memorial University of Newfoundland Anna Hoefnagels Carleton University Judith Klassen Canadian Museum of History Chris McDonald Cape Breton University Colin McGuire University College Cork Marcia Ostashewski Cape Breton University Laura Risk McGill University Neil Scobie University Western Ontario Gordon Smith Queen s University Heather Sparling Cape Breton University Jesse Stewart Carleton University Janice Esther Tulk Cape Breton University Margaret Walker Queen s University and Louise Wrazen York University

Brigh an Òrain - A Story in Every Song Lauchie MacLellan, John Shaw, Alistair MacLeod, 2001-02-21 Few published collections of Gaelic song place the songs or their singers and communities in context Brigh an rain A Story in Every Song corrects this showing how the inherited art of a fourth generation Canadian Gael fits within biographical social and historical contexts It is the first major study of its kind to be undertaken for a Scottish Gaelic singer The forty eight songs and nine folktales in the collection are transcribed from field recordings and presented as the singer performed them with an English translation provided All the songs are accompanied by musical transcriptions The book also includes a brief autobiography in Lauchie MacLellan s entertaining narrative style John Shaw has added extensive notes and references as well as photos and maps In an era of growing appreciation of Celtic cultures Brigh an rain A Story in Every Song makes an important Gaelic tradition available to the general reader The materials also serve as a unique adaptable resource for those with more specialized research or teaching interests in ethnology folklore Canadian studies Gaelic language ethnomusicology Celtic studies anthropology and social history

Desire, Drink and Death in English Folk and Vernacular Song, 1600-1900 Vic Gammon, 2017-07-05 This much needed book provides valuable insights into themes and genres in popular song in the period c 1600 1900 In particular it is a study of popular ballads as they appeared on printed sheets and as they were recorded by folk song collectors Vic Gammon displays his interest in the way song articulates aspects of popular mentality and he relates the discourse of the songs to social history Gammon discusses the themes and narratives that run through genres of song material and how these are repeated and reworked through time He argues that in spite of important social and economic changes the period 1600 1850 had a significant cultural consistency and characteristic forms of popular musical and cultural expression These only changed radically under the impact of industrialization and urbanization in the nineteenth century The book will appeal to those interested in folk song historical popular music including church music ballad literature popular literature popular culture

social history anthropology and sociology

Collection of Heating and Lighting Utensils in the United States

The Ballad Collectors of North America Scott B. Spencer, 2012

Much has been written about the songs gathered in North America in the first half of the 20th century. However, there is scant information on those individuals responsible for gathering these songs. *The Ballad Collectors of North America: How Gathering Folksongs Transformed Academic Thought and American Identity* fills this gap, documenting the efforts of those who transcribed and recorded North American folk songs. Both biographical and topical, this book chronicles not only the most influential of these song catchers but also examines the main schools of thought on the collection process, the leading proponents of those schools, and the projects that they shaped. Contributors also consider the role of technology, especially the phonograph, in the collection efforts. Chapters organized by region cover such areas as Appalachia, the West, and Canada, while others devoted to specialized topics range from the cowboy tune and occupational song to the commercialization of folk music through song collections and anthologies. *Ballad Collectors* investigates the larger role of the ballad in the development of American identity, from the national appreciation of cowboy songs in popular culture to the use of Appalachian song forms in radio broadcasts, to the role of dustbowl ballads in the urban folk revival of the 1950s and 1960s. Finally, this collection assesses the changing role of songs and song texts in the academic fields of folklore, anthropology, musicology, and ethnomusicology. Scholars and students of American cultural and social history, as well as fans of North American folk and popular music, will find *The Ballad Collectors of North America* a fascinating story of how the American folk tradition gained greater visibility, fueling the revolutions that would follow in the writing and performance of American music.

[North American Gaels](#) Natasha Sumner, Aidan Doyle, 2020-11-18. A mere 150 years ago, Scottish Gaelic was the third most widely spoken language in Canada, and Irish was spoken by hundreds of thousands of people in the United States. A new awareness of the large North American Gaelic diaspora, long overlooked by historians, folklorists, and literary scholars, has emerged in recent decades. *North American Gaels* represents the first tandem exploration of these related migrant ethnic groups, examining the myriad ways Gaelic-speaking immigrants from marginalized societies have negotiated cultural spaces for themselves in their new homeland. In the macaronic verses of a Newfoundland fisherman, the pointed addresses of an Ontario essayist, the compositions of a Montana miner, and lively exchanges in newspapers from Cape Breton to Boston to New York, these groups proclaim their presence in vibrant traditional modes fluently adapted to suit North American climes. Through careful investigations of this diasporic Gaelic narrative and its context from the mid-eighteenth century to the twenty-first, the book treats such overarching themes as the sociolinguistics of minority languages, connection with one's former home, and the tension between the desire for modernity and the enduring influence of tradition. Staking a claim for Gaelic studies on this continent, *North American Gaels* shines new light on the ways Irish and Scottish Gaels have left an enduring mark through speech, story, and song.

The Traditional Tunes of the Child Ballads, Volume 4 Bertrand Harris

Bronson, 2015-03-08 With this volume incorporating Ballads 244-305 Bertrand Harris Bronson completes his epic task of providing the musical counterpart to Francis James Child's collection of English and Scottish ballads. As in the previous volumes, the texts are linked with their proper traditional tunes, systematically ordered and grouped to show melodic kinship and characteristic variations developed during the course of oral transmission. Originally published in 1972, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Adopting the Beat of Term: An Emotional Symphony within **The Nova Scotia Song Collection**

In a global consumed by displays and the ceaseless chatter of fast transmission, the melodic elegance and mental symphony created by the written word frequently fade into the backdrop, eclipsed by the constant sound and distractions that permeate our lives. But, situated within the pages of **The Nova Scotia Song Collection** a charming literary value overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that captivating masterpiece conducts readers on a psychological trip, well unraveling the concealed melodies and profound affect resonating within each carefully crafted phrase. Within the depths with this touching examination, we shall investigate the book is main harmonies, analyze their enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
