Wilcox, 2018-05-22 An engaging look into the Sisters of Perpetual Indulgence queer activists devoted to social justice The Sisters of Perpetual Indulgence make up an unlikely order of nuns Self described as twenty first century queer nuns the Sisters began in 1979 when three bored gay men donned retired Roman Catholic nuns habits and went for a stroll through San Francisco's gay Castro district The stunned and delighted responses they received prompted these already seasoned activists to consider whether the habits might have some use in social justice work and within a year they had constituted the new order Today with more than 83 houses on four different continents the Sisters offer health outreach support and at times protest on behalf of queer communities In *Queer Nuns* Melissa M Wilcox offers new insights into the role the Sisters play across queer culture and the religious landscape The Sisters both spoof nuns and argue quite seriously that they are nuns adopting an innovative approach the author refers to as

serious parody Like any performance serious parody can either challenge or reinforce existing power dynamics and it often accomplishes both simultaneously The book demonstrates that through the use of this strategy the Sisters are able to offer an effective flexible and noteworthy approach to community based activism Serious parody ultimately has broader applications beyond its use by the Sisters Wilcox argues that serious parody offers potential uses and challenges in the efforts of activist groups to work within communities that are opposed and oppressed by culturally significant traditions and organizations as is the case with queer communities and the Roman Catholic Church This book opens the door to a new world of religion and social activism one which could be adapted to a range of political movements individual inclinations and community settings

The Beauty and the Beasts Geoff Hobbs, 2011-08-18 This book recalls the memories of a young English businessman who was not in the least interested in working in Africa however the Corporation believed that his experience of working in a rough tough and hard to bluff industry made him the perfect candidate for the position in Nairobi Kenya and they offered him a package that he could only imagine in his wildest dreams and the opportunity to move from a cold and wet English climate With no more than a good gut feeling he accepted the position little knowing that the decision he had just made would change his life forever This fast paced easy to read book takes the reader through the complete lifecycle of an expatriate living and working in Nairobi from the excitement of getting to know a new country to falling totally in love with it and finally to the point where daily life threatening situations bought him to realise that if he did not leave on an aeroplane seat he would soon leave in a wooden box

Fifty Shades of Black and White Joan Fox, 2013-06 The life of a young nun in New England in the 1960s provides the backdrop for the provocative and highly relevant new novel Fifty Shades of Black and White Confessions of a Naughty Nun Eighteen year old Catherine Connor first enters the convent in September 1959 She begins her training as a postulant in Cumberland Rhode Island The story starts with her experiences in the novitiate and follows her as she takes her final vows At the end of her postulant year she becomes Sister Mary Irene Joseph Her first mission after completing her education is to teach at a Catholic school in Fall River Massachusetts There she meets and falls in love with the young parish priest Paul Kelly who persistently pursues her Catherine s experiences describe both convent life and her intimate love story which is at times funny sad and melancholy Fifty Shades of Black and White poses problems that the church is still struggling with today Catherine s story is one you will never forget

I Served by Don C. Hall and Annette R. Hall, 2001-01-31 I SERVED was written differently from most other Vietnam memoirs Instead of being a chronological recitation of my experiences growing up in the orphanage and then going to Vietnam and serving with Co F 51st Long Range Patrol Airborne Infantry I made its focus be the characters in the story That is its greatest strength and what makes it such a good read Because I focused so closely on character you really get to care about the person Don Hall because you know what makes him tick what is important to him and what drives him You are also engaged by the other people you meet in the story because they are so clearly drawn You don t have to be a military buff to enjoy the book I

SERVED is a factual story backed up by official U S Army records Col William C Maus the man who formed F 51st LRP told me where to find that documentation I also have copies of handouts we received when we went to Recondo School Before he died he told me how much he enjoyed reading the book He praised me for having written such a great story about a unit he was proud to have commanded He was a visionary who knew our unit was the vanguard for future U S Army military strategy and tactics I remember his telling me at the time that F 51st LRP was making history Being just a na ve 19 year old staff sergeant I didn t understand the significance of that statement I do now The current print and ebook versions of I SERVED are a second edition to the original 1994 hardbound edition with a revised preface and afterword a new War Stories section with stories from other men with whom I served and new photographs Crooked Wings Alastair Sharp,2011-04-14 The spiritual search is an unfolding mystery that takes as many forms as there are seekers on the path Whatever it is that compels a person to search for that mysterious and gripping missing link in our being has a narrative of its own no two are ever the same A barefoot holy man blesses a Moroccan child in the marketplace in Casablanca Find the bird with crooked wings he tells her Unwavering in her determination Shaafia becomes a translator but not merely of words A drop out frenchman is carried off from a beach in Goa In a Hindu ashram Thophile is commanded to study an ancient Indian scripture and then is abruptly sent home to serve the reincarnation of the crippled saint who wrote it An Australian nurse searches for her lost aboriginal heritage in the desert where after her initiation the elders tell her of the birth of her spirit child When Kate finds it the child is unlike any she has ever seen Like spokes on a wheel drawn in towards the hub seemingly unrelated incidents launch unexpected journeys where disparate characters confront their obstacles and their preconceptions finally to arrive at a mutual rendezvous in a crumbling french chateau When each of them recognises that they have discovered the goal of their search they find each other The goal of their search however is not what they had expected Trapped in a physically disabled body lives a child with the power to open others to their own potential Pia is eight years old She has cerebral palsy but she also has the subtle and powerful wisdom of an ancient soul Crooked Wings is a story of interwoven journeys of revelation and restoration where every pilgrim driven by their thirst to know pursues a unique path and must learn to read the sign posts of their progress in their own personal language The ultimate message is about Love is about finding the heart is about trusting that within each of them their questioning can be answered *Birthmothers* Merry Jones,2016-04-19 Birthmothers presents intimate and stirring accounts of more than seventy women who surrendered babies for adoption It follows their lives long term from discovery of their pregnancies through the present and identifies the Birthmother Syndrome a pattern of behavior and emotions resulting from surrender With heartwarming candor Birthmothers reveals the stories of the invisible side of the adoption triangle and touches everyone involved in adoption as well as anyone interested in motherhood family and women in our society **Seven Shades of Guilt** Sergio I. Carrera,Julio Martínez,2017-12-28 This symbolic story recounts the lives of Charlotte and Jack two among thousands of victims of religious intolerance who flee from

the intransigence that reigns in their natal planet and arrive at a region harassed by ghosts The warrior ghosts represent the mistakes and memories of a painful past Guilt and losses turned into obsession take the form of inner ghosts that threaten the very essence of a human being and drive him into annihilation Facing the inevitable devastation caused by the passing of time not even a taxidermist who stuffs and preserves a past event can give life to what has already ceased to be Only fantasy offers a refuge from the capricious destruction of death Trying to remain at whatever cost in the unreal world of memories the mind is blurred distorted and becomes a trap
