

The background of the book cover is a detailed, dark painting of a forest floor. A path of light-colored earth or moss leads from the bottom left towards the center. Several butterflies are scattered throughout: a small yellow one in the top left, a brown and white one near the top center, and a larger white and yellow one near the bottom center. A long, slender salamander is visible on the right side, and another is at the bottom. The overall tone is somber and naturalistic.
