Inner Meaning of the Hebrew Letters Robert M. Haralick, 1995-09-01 This book length meditation on the Hebrew alphabet offers profound insights into many important ideas found in Jewish thought From time immemorial the Hebrew alphabet has been considered to be more than a collection of individual letters Indeed the essence of each letter of the Hebrew alphabet can be seen as a fundamental building block of the world Jewish scholars throughout the ages have meditated on these letters deriving spiritual inspiration in the process In *The Inner Meaning of the Hebrew Letters* Robert M Haralick looks closely at each of the Hebrew characters helping us to gain insight from this remarkable tradition Drawing primarily upon traditional kabbalistic and chasidic thought Haralick combines his own insights with those of great Jewish personalities such as Moshe Chayim Luzzatto and Rabbi Nachman of Bratslav as well as drawing upon classical texts including the Bahir the Zohar the Midrash and the Talmud One of Haralick s main sources of inspiration is the ancient Jewish art of gematria where each letter has a numerical value as does each combination of letters Through this traditional methodology Haralick shows his readers the many often dazzling ways that the Hebrew alphabet has been examined

The Hebrew Letters Rabbi Yitzchak Ginsburgh, 1990 *Sefer Yetzirah* the Book of Creation one of the earliest Kabbalistic works teaches that the letters of the Hebrew alphabet are the building blocks of creation Each letter has its own significance spiritual energy and reason for existing In this revised version of Rabbi Ginsburgh s best selling *The Alef Beit Jewish Thought Revealed Through the Hebrew Letters* he explains how each letter s name form and numerical value play a role in the creative process of the cosmos He draws on the understandings of the well known mystic the Baal Shem Tov in depicting how each letter has nine dimensions with impact in three worlds the physical spiritual and Divine In every letter there is the true completion of the soul a chance to unite consciousness with the code of creation Includes glossary footnotes and index

The Mystery of the Hebrew Letters Reverend Maria Goldstein, 2017-10-23 Who hath ascended up into heaven or descended Who hath gathered the wind in his fists Who hath bound the waters in a garment Who hath established all the ends of the earth What is his name and what is his son s name if thou canst tell Proverbs 30 4 The answer to this riddle can be found in the revelation contained within this book The Son s identity once concealed in the divine letters of the Hebrew alphabet is now revealed Yeshua said Before Abraham was I am Messiah is also known as the Poretz the one who will break through He was present from the beginning of time for the salvation of the world Each Hebrew letter points to Jesus Yeshua as the Messiah to all the nations of the world The mystery of Messiah Yeshua was once hidden in the divine Hebrew letters and the Torah This breakthrough information has been revealed for such a time as this Yeshua said Repent for the Kingdom of God is near This book is a glimpse of Yeshua in the Hebrew Alpha Bet Yeshua said In the volume of the book it is written of me You are about to get a glimpse of Yeshua revealed in the Hebrew For those not fluent in Hebrew it is my hope that this book will pique your interest in learning our holy language As a Jewish Rabbi and a believer in Yeshua the Messiah I highly

recommend *Mystery of the Hebrew Letters* to connect you to the Jewishness of Yeshua Jesus The Bible is a Jewish book from cover to cover and only in studying the Bible in Hebrew its original language will you begin to understand the richness of the Word of Elohim As Christians it s time to reconnect to the Jewish Roots of our faith Rabbi Deborah Brandt Deborah s Messianic Ministries Beit Midrash Tefillah Hallel Congregation and Vice President and Instructor at The Judaic Studies Institute and University Dr Maria Goldstein THANK YOU for writing this incredible book As a Hebrew Christian for 46 years I have never read anything like this It solves the mystery of the Hebrew alphabet and reveals Yeshua Jesus as the Son of God Many of my questions have finally been answered by this book which I highly and enthusiastically recommend Pastor Meyer Stahl Southern New Mexico Church of God author founder producer TV and radio host of What is Truth The 22 sacred letters of the Hebrew language are profound and spiritual since the language spoken by God in the Bible is made up from these letters By trying to understand God s word we can learn even more by understanding the meaning of the letters that brought forth creation Rev Dr Maria Goldstein does a wonderful job of revealing some of these mysteries and their relation to Messiah Yeshua Rabbi George Quinn Beth Israel Messianic Center El Paso TX Hebrew is a constructive language and as such even the letters must be considered when determining the meaning of the words A Jewish story goes as follows When God asked Adam to name the animals Adam so filled with the knowledge of the Hebrew letters was able to look at each creature and knew which letters God used to bring that creature into existence Those letters then became the name that Adam gave to each creature So Adam did not so much as name the animals as much as being filled with the knowledge of the letters he knew the name God had already given them Dr Goldstein s *Mystery of the Hebrew Letter Jesus Revealed* is a wonderful little gem conveying some key elementary points of each Hebrew letter This primer should be taken as a first step into the larger world of understanding the very Word of God the Bible Rabbi Gary Hartshorn Las Cruces NM

The Glorious Hebrew Letters Darren Kelley, 2008-10-26 Each letter in Hebrew is a way of life in its own right Each Hebrew letter can be considered its own religion The Hebrew language is a colorful language with plenty of depth For example the Hebrew letter Lamed uses the ox goad for its symbol and it means to learn and prod The Hebrew letter lamed is translated into the English letter L However what does L mean in English That answer will be very difficult to answer without the Hebrew definition The English letters loses height depth and width without its Hebrew origins The Hebrew letters contain so much wisdom that each one of us would gain enlightenment just by living by the precept and meaning of each letter These Holy letters will help you become obedient to the voice and hand of God

David Shenef,2021-07-04 Many learners often lose their interest in learning the Hebrew language after just a few hours of study as courses usually require a fairly good command of the script relatively quickly Since when learning a new language in addition to foreign vocabulary and grammar unknown letters must also be learned even many academic learners are quickly overwhelmed and discouraged By resorting to common words and names it is now just as quick and easy to get used to reading and writing Hebrew without any additional burdens and to quickly achieve noticeable learning successes The practical introduction to the Hebrew script can be used as a prerequisite as well as to accompany existing textbooks as a simple and effective aid to enable quick access to terrain that is not so completely foreign **The Wisdom in the Hebrew Alphabet** Michael L.
