Sisters (Free Preview Edition) Raina Telgemeier, 2014-07-24 The companion to Raina Telgemeier's 1 NEW YORK TIMES bestselling and Eisner Award winning graphic memoir SMILE Raina can't wait to be a big sister But once Amara is born things aren't quite how she expected them to be Amara is cute but she's also a cranky grouchy baby and mostly prefers to play by herself Their relationship doesn't improve much over the years but when a baby brother enters the picture and later something doesn't seem right between their parents they realize they must figure out how to get along They are sisters after all Raina uses her signature humor and charm in both present day narrative and perfectly placed flashbacks to tell the story of her relationship with her sister which unfolds during the course of a road trip from their home in San Francisco to a family reunion in Colorado

The Sisters - Volume 5 Ebers Georg, 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
