### **Sit And Be Fit Preaerobic I Video:**

*Fit & Active* Maureen K. LeBoeuf, Lawrence F. Butler, 2008 We all know the dilemma Kids are tuning in to TVs and video games and tuning out physical activity As a result kids are more overweight than ever More than half of the adult population in the United States are overweight and almost a third are clinically obese An obvious answer is to become and stay fit through regular physical activity The authors of *Fit Active The West Point Physical Development Program* know this and in response they developed a program at West Point the academy that's been educating U S military and political leaders for over 200 years Now you can use the West Point fitness program to meet the needs of your students *Fit Active The West Point Physical Development Program* is a practical ready to use resource that will help you inspire the kids under your charge to be more physically active It includes the following features The system that has worked for the authors in their West Point program along with detailed strategies for modifying their approach for various ages and environments Activities and ideas that have been reviewed by high school physical education teachers to ensure the suggestions are appropriate for high school students New ideas and information that will help you improve your program Assessment strategies to help you meet state and national physical education standards At West Point fitness is seen as a solid foundation for emotional and intellectual well being and as a way to help prepare students for a lifetime of health physical activity and success in the classroom and beyond With that in mind the authors focus on how to develop and assess your program in part I and in part II they provide core activity courses including basic movement swimming boxing self defense and obstacle courses that develop motor skills In part III they delve into wellness and personal fitness strategies workout designs assessments and related issues and in part IV they outline courses for lifetime activities such as tennis golf ice skating and rock climbing As a result you get a comprehensive resource that is easy to use well illustrated adapted for high school and appropriate for a variety of groups and one that will also help you meet state and national standards Along the way your students will learn leadership skills through sports and become motivated to make physical activity and fitness an integral part of their lives long after they leave school

**Sit and be Fit**, 2008 These Sit and be fit workouts feature Mary Ann Wilson RN from the popular public television series Each 27 minute episode includes full body workouts designed to strengthen stretch and improve overall function of your body Mary Ann creates and leads exercises that are easy upbeat and lively which feature fun movements and music Plus seated versions of the standing workouts are demonstrated by a second instructor cover

**Fitness Video Vibes** Noah Daniels, 2014-02-28 When it comes to work out the fitness training techniques are a little unique and very much focused on getting the results you want to be within a stipulated period of time The idea behind the exercise would be to challenge your body to reach heights never before thought of possible with the help and guidance of putting into practice the appropriate fitness exercise through videos You need to ideally want to understand your fitness vision and then create and outline of steps that you will be able to follow to effectively get the vision from that stage to reality In some cases the

inclusion of inspiring music may be needed to get you excited about reaching the end goal faster And the worst part The more you don t have the right skills the less you will succeed This powerful book will provide you with everything you need to know to be the fittest and achieve your fitness goal fast With this product and it s great information on work out videos will walk you step by step through the exact process we developed to help people get all the info they need to be a success
