York Steven Heller, 1992 Thirty six design firms and individual graphic designers representing an extraordinary and comprehensive cross section of New York's top design talent display their portfolios in *Graphic Design New York 2*. In response to this technological revolution many of the design firms create websites for both clients and themselves. Almost all designers have embraced the computer age after some hesitation and use state of the art electronics in their offices. And through it all design has retained its humanity rafting through this age of high technology design has simply become more accessible as you'll see from browsing through this book.

*Atlanta Magazine*, 2003-03 Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting and superlative design that illuminate the people, the issues, the trends and the events that define our city. The magazine informs, challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting and superlative design that illuminate the people, the issues, the trends and the events that define our city. The magazine informs, challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region.

**Los Angeles Magazine**, 2003-11 Los Angeles magazine is a regional magazine of national stature. Our combination of award winning feature writing, investigative reporting, service journalism and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.
