**Rape and Resistance** Linda Martín Alcoff,2018-05-04 Sexual violence has become a topic of intense media scrutiny thanks to the bravery of survivors coming forward to tell their stories But unfortunately mainstream public spheres too often echo reports in a way that inhibits proper understanding of its causes placing too much emphasis on individual responsibility or blaming minority cultures In this powerful and original book

Linda Martin Alcoff aims to correct the misleading language of public debate about rape and sexual violence by showing how complex our experiences of sexual violation can be. Although it is survivors who have galvanized movements like MeToo when their words enter the public arena they can be manipulated or interpreted in a way that damages their effectiveness. Rather than assuming that all experiences of sexual violence are universal we need to be more sensitive to the local and personal contexts: who is speaking and in what circumstances that affect how activists and survivors' protests will be received and understood. Alcoff has written a book that will revolutionize the way we think about rape, finally putting the survivor center stage.

**Southern Selves** James Watkins, 2007-12-18 The memoirist seeks to capture not just a self but an entire world, and in this marvelous anthology thirty-one of the South's finest writers, like Kaye Gibbons and Reynolds Price, Eudora Welty and Harry Crews, Richard Wright and Dorothy Allison, make their intensely personal contributions to a vibrant collective picture of southern life. In the hands of these superb artists, the South's rich tradition of storytelling is brilliantly revealed. Whether slave or master, intellectual or redneck, each voice in this moving and unforgettable collection is proof that southern literature richly deserves its reputation for irreverent humor, exquisite language, a feeling for place and an undying, often heartbreaking sense of the past.
