Skywater The Story Of The Mayan Water Man

Roger Manley

Skywater The Story Of The Mayan Water Man:

Skywater Phillip J. Manson, 2001-01-20 An historical novel about the disappearance of the Mayan civilization One of the Mayans not wanting to continue in his father's business involves himself in government and discovers he can associate with the rich and powerful and be favored by them with offers of property and power He finds himself obliged to support one or another of two powerful factions The first part of the story covers his social and political life in helping build a new city Later he is obliged to go to the land of the Aztecs to learn warfare and return to his homeland to avenge an earlier defeat at the hands of the Quiche Oza the Mayan finds that treachery by one of the Mayan leaders leads to the threat of an invasion by an Aztec army even after the leader is murdered by a rival The only solution Oza offers the political leaders who were pawns in the treachery and bankruptcy of the nation is exile While one group flees further south Oza leads his group to the Pacific Ocean where they can sail away to distant lands for refuge

Prehistoric Rock Art Paul G. Bahn, 2010-06-21 Paul G Bahn provides a richly illustrated overview of prehistoric rock art and cave art from around the world Summarizing the recent advances in our understanding of this extraordinary visual record he discusses new discoveries new approaches to recording and interpretation and current problems in conservation Bahn focuses in particular on current issues in the interpretation of rock art notably the shamanic interpretation that has been influential in recent years and that he refutes This book is based on the Rhind Lectures that the author delivered for the Society of Antiquaries of Scotland in 2006

Gemini and the Sacred Kimberley C. Patton, 2022-10-06 Why do twins remain uncanny to those born alone in other words most of us Even with the rise of IVF and an increase in multiple births why do we still do a double take when we encounter twins Why has this been a near universal response throughout human history and how has it played out in religion and myth Through the work of leading scholars in religion folklore and mythology history anthropology and archaeology Gemini and the Sacred explores how twinship has long been imagined especially in the complex relationship of sacred twin traditions to twins on the ground in biology and lived experience The book considers the multiple ways in which the doubling of a human being may be interpreted as auspicious and powerful or suppressed as unstable and dangerous Why has this been so and how does it affect living twins today Treating both famous and lesser known twins including supernatural animal twins in the ancient Near Eastern and classical Mediterranean worlds early Christianity and Gnosticism Vedic Hindu West African Black Atlantic and native American traditions ancient Mesoamerica Celtic Roman Britain and Scandinavia and in the special fraught bond shared by all twins the book offers a variety of perspectives on this topic of great cultural significance

Engaging Native American Publics Paul V. Kroskrity, Barbra A. Meek, 2017-07-14 Engaging Native American Publics considers the increasing influence of Indigenous groups as key audiences collaborators and authors with regards to their own linguistic documentation and representation The chapters critically examine a variety of North American case studies to reflect on the forms and effects of new collaborations between language researchers and Indigenous communities as well as the types and

uses of products that emerge with notions of cultural maintenance and linguistic revitalization in mind In assessing the nature and degree of change from an early period of salvage research to a period of greater Indigenous self determination the volume addresses whether increased empowerment and accountability has truly transformed the terms of engagement and what the implications for the future might be **Encyclopedia of the Literature of Empire** Mary Ellen Snodgrass,2010 Examines the world s greatest literature about empires and imperialism including more than 200 entries on writers classic works themes and concepts *The Toe Bone and the Tooth* Martin Prechtel,2004 A wonderful blend of polemic autobiography travel adventure and myth **The Ancient Future of the Itza** ,2010-06-28 The title of Edmonson s work refers to the Mayan custom of first predicting their history and then living it and it may be that no other peoples have ever gone so far in this direction The Book of Chilam Balam was a sacred text prepared by generations of Mayan priests to record the past and to predict the future The official prophet of each twenty year rule was the Chilam Balam or Spokesman of the Jaguar the Jaguar being the supreme authority charged with converting the prophet s words into fact This is a literal but poetic translation of one of fourteen known manuscripts in Yucatecan Maya on ritual and history It pictures a world of all but incredible numerological order slowly yielding to Christianity and Spanish political pressure but never surrendering In fact it demonstrates the surprising truth of a secret Mayan government during the Spanish rule which continued to collect tribute in the names of the ruined Classic cities and preserved the essence of the Mayan calendar as a legacy for the tradition s modern inheritors The history of the Yucatecan Maya from the seventh to the nineteenth century is revealed And this is history as the Maya saw it of a people concerned with lords and priests with the cosmology which justified their rule and with the civil war which they perceived as the real dimension of the colonial period A work of both history and literature the Tizimin presents a great deal of Mayan thought some of which has been suspected but not previously documented Edmonson s skillful reordering of the text not only makes perfect historical sense but also resolves the long standing problem of correlating the two colonial Mayan calendars The book includes both interpretative and literal translations as well as the Maya parallel couplets and extensive annotations on each page The beauty of the sacred text is illuminated by the literal translation while both versions unveil the magnificent historical philosophical and social traditions of the most sophisticated native culture in the New World The prophetic history of the Tizimin creates a portrait of the continuity and vitality of the ancient past and the foreordained future of the Maya *Educators Guide to Free Social Studies Materials* ,2002

Southeastern College Art Conference Review Southeastern College Art Conference,1986 **The End is Near!** Roger Manley,1998 The End Is Near maps the millennial fervor that haunts our consciousness and gathers the most provocative collection of visionary art ever assembled from artists who dwell on the shadowy fringes of society 160 color and 40 duotone illustrations *Indiana Review* ,1992
