## **Slave Master The Story Of Spartacus:**

*Slave and Master* Jacques Perdue, 2012-12-01      *The Roman Guide to Slave Management* Jerry Toner, 2014-09-04 A scholar explores the history of slavery in Ancient Rome using a fictional story as a backdrop Marcus Sidonius Falx is an average Roman citizen Born of a relatively well off noble family he lives on a palatial estate in Campania dines with senators and generals and like all of his ancestors before him owns countless slaves Having spent most of his life managing his servants many of them prisoners from Rome's military conquests he decided to write a kind of owner's manual for his friends and countrymen The result *The Roman Guide to Slave Management* is a sly subversive guide to the realities of servitude in ancient Rome Cambridge scholar Jerry Toner uses Falx his fictional but true to life creation to describe where and how to Romans bought slaves how they could tell an obedient worker from a troublemaker and even how the ruling class reacted to the inevitable slave revolts Toner also adds commentary throughout analyzing the callous words and casual brutality of Falx and his compatriots and putting it all in context for the modern reader Written with a deep knowledge of ancient culture and the depths of its cruelty this is the Roman Empire as you've never seen it before By turns charming haughty and brutal an ingenious device *The New Yorker* Toner's history and commentary provides context for the dirty institution upon which modern civilization is built Publishers Weekly

**Gender, Power, and Identity in The Films of Stanley Kubrick** Karen A. Ritzenhoff, Dijana Metlić, Jeremi Szaniawski, 2022-10-21 This volume features a set of thought provoking and long overdue approaches to situating Stanley Kubrick's films in contemporary debates around gender race and age with a focus on women's representations Offering new historical and critical perspectives on Kubrick's cinema the book asks how his work should be viewed bearing in mind issues of gender equality sexual harassment and abuse The authors tackle issues such as Kubrick's at times questionable relationships with his actresses and former wives the dynamics of power misogyny and miscegenation in his films and auteur apologism among others The selections delineate these complex contours of Kubrick's work by drawing on archival sources engaging in close readings of specific films and exploring Kubrick through unorthodox venture points With an interdisciplinary scope and social justice centered focus this book offers new perspectives on a well established area of study It will appeal to scholars and upper level students of film studies media studies gender studies and visual culture as well as to fans of the director interested in revisiting his work from a new perspective

*The Kubrick Facade* Jason Sperb, 2006-06-22 Many of Stanley Kubrick's films are often interpreted as cold and ambiguous Whether viewing *Barry Lyndon* 2001 *The Shining* or *Eyes Wide Shut* there is a sense in which these films resist their own audiences creating a distance from them Though many note the coldness of Kubrick's films a smaller number attempt to explore exactly how his body of work elicits this particular reaction Fewer still attempt to articulate what it might mean to feel Stanley Kubrick's films In *The Kubrick Facade* Jason Sperb examines the narrative ambiguity of the director's films from the voice over narration in early works including the once forgotten *Fear and Desire* to the blank faces of characters in his later ones In

doing so Sperb shows how both devices struggle in vain to make sense of the chaos and sterility of the cinematic surface All thirteen of Stanley Kubrick s feature length films are discussed in chronological order from the little seen and long neglected Fear and Desire to the posthumous release of Eyes Wide Shut Sperb also discusses Kubrick s importance to Steven Spielberg s AI While exploring all of Kubrick s films the author concentrates in particular on The Killing Dr Strangelove 2001 The Shining Full Metal Jacket and Eyes Wide Shut This is also the first book length study that focuses considerable attention on Fear and Desire and its relevance to Kubrick s larger body of work In this respect The Kubrick Facade is one of the first truly comprehensive books on narrative in the maverick director s films It is also the first book to integrate a discussion of AI and the first to fully explore the importance of the consistent visual emphasis on blank silent faces in his post Lolita films

Screening Love and Sex in the Ancient World Monica S. Cyrino,2013-02-05 This dynamic collection of essays by international film scholars and classicists addresses the provocative representation of sexuality in the ancient world on screen A critical reader on approaches used to examine sexuality in classical settings contributors use case studies from films and television series spanning from the 1920s to the present **Empire of Ancient Rome** Michael Burgan,2009 Explores the rise and fall and spheres of influence society and daily life key events and important figures of the Roman Empire

**The Book of Knowledge** Arthur Mee,1911 The Golden Age: The Sequel Joe Reina,2025-01-03 After celebrating his 50th birthday with friends from around the world in 1950 Giancarlo and his wife were living their dream of early retirement They split their time between their spring home in Lucca Italy and their summer retreat by the sea in Siracusa Life seemed perfect until a sudden tragedy struck the death of the caretaker for their olive oil business The loss disrupted their luxurious lifestyle pulling Giancarlo out of retirement to take over marketing for his family s 200 year old business What started as a simple task turned into a decade long journey that would reshape his life as he worked to expand the olive oil business in both Italy and the U S Set against the backdrop of one of the most transformative periods in American history Giancarlo s story spans the 1950s a time of booming prosperity and profound change From the rise of suburban living and shopping centers to the revolution in cinema and literature Giancarlo navigates a world in flux The automobile industry flourished and cars from the era are now prized by collectors The Civil Rights Movement led by figures like Martin Luther King Jr began challenging the deep rooted racism in America while the nation dealt with the aftermath of the Korean War and the growing conflict in Vietnam Above all television changed everything bringing entertainment news sports and advertisements into the homes of millions driving consumer culture and reshaping the economy This was a time fondly remembered as The Golden Years when America was on the cusp of modernity and Giancarlo was part of it all Performing the Temple of Liberty Jenna M. Gibbs,2014-06-20 How popular theater including blackface characters reflected and influenced attitudes toward race the slave trade and ideas of liberty in early America Jenna M Gibbs explores the world of theatrical and related print production on both sides of the Atlantic in an age of remarkable political and social change Her deeply researched study of

working class and middling entertainment covers the period of the American Revolution through the first half of the nineteenth century examining controversies over the place of black people in the Anglo American moral imagination Taking a transatlantic and nearly century long view *Performing the Temple of Liberty* draws on a wide range of performed texts as well as ephemera broadsides ballads and cartoons and traces changes in white racial attitudes Gibbs asks how popular entertainment incorporated and helped define concepts of liberty natural rights the nature of blackness and the evils of slavery while also generating widespread acceptance in America and in Great Britain of blackface performance as a form of racial ridicule Readers follow the migration of theatrical texts images and performers between London and Philadelphia The story is not flattering to either the United States or Great Britain Gibbs s account demonstrates how British portrayals of Africans ran to the sympathetic and to a definition of liberty that produced slave manumission in 1833 yet reflected an increasingly racialized sense of cultural superiority On the American stage the treatment of blacks devolved into a denigrating patronizing view embedded both in blackface burlesque and in the idea of Liberty the figure of the white goddess *Performing the Temple of Liberty* will appeal to readers across disciplinary lines of history literature theater history and culture studies Scholars and students interested in slavery and abolition British and American politics and culture and Atlantic history will also take an interest in this provocative work      *Slaves on Screen* Natalie Zemon Davis,2011-03-04 People have been experimenting with different ways to write history for 2 500 years yet we have experimented with film in the same way for only a century Noted professor and historian Natalie Zemon Davis consultant for the film *The Return of Martin Guerre* argues that movies can do much more than recreate exciting events and the external look of the past in costumes and sets Film can show millions of viewers the sentiments experiences and practices of a group a period and a place it can suggest the hidden processes and conflicts of political and family life And film has the potential to show the past accurately wedding the concerns of the historian and the filmmaker To explore the achievements and flaws of historical films in differing traditions Davis uses two themes slavery and women in political power She shows how slave resistance and the memory of slavery are represented through such films as Stanley Kubrick s *Spartacus* Steven Spielberg s *Amistad* and Jonathan Demme s *Beloved* Then she considers the portrayal of queens from John Ford s *Mary of Scotland* and Shekhar Kapur s *Elizabeth* to John Madden s *Mrs Brown* and compares them with the cinematic treatments of Eva Peron and Golda Meir This visionary book encourages readers to consider history films both appreciatively and critically while calling historians and filmmakers to a new collaboration      *Ancient Mediterranean Philosophy* Stephen Clark,2013-01-24 A comprehensive and accessible introduction to ancient Mediterranean philosophy designed specifically for use by undergraduate students      *Stories of Great Historical Warriors* Ahsi Ahsir,2024-07-02 The warriors featured in this book hail from diverse cultures and periods each with their unique background motivations and achievements From William the Conqueror whose victory at the Battle of Hastings forever changed the course of English history to Toussaint Louverture the

revolutionary leader who led the fight against slavery in Haiti their stories serve as a testament to the enduring power of leadership courage and perseverance in the face of adversity But the book is more than just a collection of biographies It is a celebration of the human spirit and the quest for greatness that drives individuals to rise above the ordinary and achieve the extraordinary It is a testament to the enduring legacy of those who have dared to challenge the status quo and leave their mark on the world As we journey through the pages of this book we are reminded of the timeless virtues of valor honor and sacrifice that have defined the lives of these great warriors We are inspired by their courage in the face of overwhelming odds their determination to overcome adversity and their unwavering commitment to their cause

**The Manifest Destiny of Human Being** Murat Sofuoglu, 2004-10 This book represents the author's view of humanity

**Traveling Around the World with Mike and Barbara Bivona** Mike Bivona, 2013-11-01 Mike and Barbara Bivona have danced their way around the world embracing the colorful rhythms of each country and culture in their travels Now Mike the author of *Dancing Around the World with Mike and Barbara Bivona* returns to share more of their globe trotting adventures in part one of a new travel memoir series While cruising the islands they witnessed lava flowing into the surf off the shores of Hawaii and danced on a nightclub floor that once saw the white uniformed officers of the warships anchored at the naval station in Pearl Harbor Mike describes the thrill and challenge of learning the intricate steps of the Argentine tango in Buenos Aires and more importantly absorbing its proper attitude from master dancers The brimstone fumes wreathing the slopes of Mt Vesuvius transported them back in time as the frozen bodies of the unlucky residents of Pompeii and Herculaneum as well as the evidence of Romans' lively erotic imagination left on walls and sculptured into clay inspired numerous colorful conversations Mike and Barbara's shared passion for art and history has led them to seek out the haunts of other lovers of adventure Columbus Ponce de Leon General Custer circus impresario John Ringling and the elderly jazz musicians in New Orleans Part memoir and part travelogue this volume offers you a trip around the world with the Bivonas without ever leaving your chair *Traveling Around the World with Mike and Barbara Bivona* by Michael Bivona CPA published by IU Universe was a winner in the Annual Eric Hoffer Awards for Short Prose and Independent Books 2014 for eBooks nonfiction The US Review of Books reviewed by Barbara Bamberger Scott

*Rome's Sicilian Slave Wars* Natale Barca, 2020-10-19 In 136 BC in Sicily which was then a Roman province some four hundred slaves of Syrian origin rebelled against their masters and seized the city of Henna with much bloodshed Their leader a fortune teller named Eunus was declared king taking the Syrian royal name Antiochus and tens of thousands of runaway slaves as well as poor native Sicilians soon flocked to join his fledgling kingdom Antiochus' ambition was to drive the Romans from the whole of Sicily The Romans responded with characteristic intransigence and relentlessness leading to years of brutal warfare and suppression Antiochus' Kingdom of the Western Syrians was extinguished by 132 but his agenda was revived in 105 BC when rebelling slaves proclaimed Salvius as King Tryphon with similarly bitter and bloody results Natale Barca narrates and analyses these events in unprecedented detail

with thorough research into the surviving ancient sources The author also reveals the long term legacy of the slaves defiance contributing to the crises that led to the seismic Social War and setting a precedent for the more famous rebellion of Spartacus in 73 71 BC
