Sleeping With Demons:

Sleep Demons Bill Hayes, 2018-03-07 A lovely weave of memory and science great characters and compassionate humor from the author of *Sweat A History of Exercise* Anne Lamott We often think of sleep as mere stasis a pause button we press at the end of each day Yet sleep is full of untold mysteries eluding us when we seek it too fervently throwing us into surreal dream worlds when we don't sometimes even possessing our bodies so that they walk and talk without our conscious volition Delving into the mysteries of his own sleep patterns Bill Hayes marvels I have come to see that sleep itself tells a story An acclaimed journalist and memoirist and partner of the late neurologist Oliver Sacks Hayes has been plagued by insomnia his entire life The science and mythology of sleep and sleeplessness form the backbone to Hayes's narrative of his personal battles with sleep and how they colored his waking life as he threads stories of fugitive sleep through memories of growing up in the closet coming out to his Irish Catholic family watching his friends fall ill during the early years of the AIDS crisis in San Francisco and finding a lover An erudite blend of science and personal narrative *Sleep Demons* offers a poignant introduction to the topics for which Hayes has since become famous including art eros city life the history of medical science and queer identity This intimate and beautifully written book brings scientific research alive in a heartfelt and deeply personal narrative The Guardian Memoir history and science come together and apart again in a book that reads very much like a dream Out magazine

Rude Awakenings from Sleeping Rough Peter C. Mitchell, 2020-12-01 This is a story that the charities don't want you to read This is the fate that can befall any of us that you don't want to acknowledge For years you have passed them on the streets as much a part of your routine as your morning shower your half hearted scan of the world's news fake or otherwise and the barista who artistically crafts the 4 cappuccino with soya milk three drops of vanilla and a flutter of chocolate sprinkles that has to be made just right or it throws your day off in ways that nobody else understands You see them as often as you see your own family The disenfranchised The rough sleepers The homeless Camped out and befouling the sidewalks and alleyways of your daily commute their worldly possessions such as they are spread around them as dirty and worn out as the sleepers themselves but as valuable to them as your 100 brogues are to you Occasionally you get the urge to throw some loose change at them as a gesture of magnanimous humanity but when push comes to shove you would rather tip the honest hard working barista who ensures your day gets off to a proper start Better to support the successful rather than throw good money after bad trying to keep the great unwashed afloat You have conditioned yourself to look through them allowing your eyes to pass over them without actually seeing them A defeated acceptance of lives gone wrong uncomfortable reminders of what can happen when the best laid plans of mice and men go horribly awry Thank god I'm not like them you think sipping your 4 cup of liquid gold I could never let that happen to me Until suddenly inexplicably it does And you discover the life you have built was nothing more than a house of cards that crashed down around you with frightening ease A spate of bad luck a poor decision or two and the ubiquitous circumstances

beyond your control conspire to create a perfect storm of events that leaves you cast away on the streets feeling dazed disoriented and damned This is Peter C Mitchell s story But it could be your story Not to mention the thousands of others past and present that have found themselves broken behind closed charity doors Theirs are the stories that need to be heard To be read **Chapter 1: Hello** Sleep Demon Dake Maiko,101-01-01 Humans in this country don t take sleep seriously enough This is a story about work that is an office worker in her late twenties and her sleep demon whose job it is to get her to sleep Yoko is a hard worker that s for sure She s missed her last train home yet again and feels herself losing the battle to sleep in the bathroom That s when she senses a shadow over her shoulder She turns around only to find a sleep demon Oh You can see me says Nero a regular old office worker at Sleep Demons Incorporated in the Underworld His monthly salary comes from getting humans go to sleep and from today he s in charge of Yoko Thus begins Yoko and Nero s daily quest to improve her quality of sleep for both of their sakes **Chapter 5: A Hard-Working Sleep Demon** Dake Maiko,101-01-01 Humans in this country don t take sleep seriously enough This is a story about work that is an office worker in her late twenties and her sleep demon whose job it is to get her to sleep Yoko is a hard worker that s for sure She s missed her last train home yet again and feels herself losing the battle to sleep in the bathroom That s when she senses a shadow over her shoulder She turns around only to find a sleep demon Oh You can see me says Nero a regular old office worker at Sleep Demons Incorporated in the Underworld His monthly salary comes from getting humans go to sleep and from today he s in charge of Yoko Thus begins Yoko and Nero s daily quest to improve her quality of sleep for both of their sakes *Sleep Demon* T.J.Garrett,2017-10-22 A bizarre murder leads Daniel to a century s old secret The descendants of a Viking horde are hiding from an ancient curse Can Daniel save his mentor and unravel the mystery before his friends are destroyed Deep under the streets of London a hidden race of bird like creatures have been patiently waiting for the return of their master Old enemies have allied with the creatures and together they are bringing about a chain of events which could destroy the city Sleep Demon is the third instalment of the Whistler Series written by Amazon bestselling author T J Garrett Sleep Demon broadens the Whistler story by introducing new friends and enemies and pitting Daniel against ever more peculiar adventures but the story does not end there Watch this space for more Whistler books in Winter 2017 and beyond **Chapter 10: Goodbye** Sleep Demon Dake Maiko,101-01-01 Humans in this country don t take sleep seriously enough This is a story about work that is an office worker in her late twenties and her sleep demon whose job it is to get her to sleep Yoko is a hard worker that s for sure She s missed her last train home yet again and feels herself losing the battle to sleep in the bathroom That s when she senses a shadow over her shoulder She turns around only to find a sleep demon Oh You can see me says Nero a regular old office worker at Sleep Demons Incorporated in the Underworld His monthly salary comes from getting humans go to sleep and from today he s in charge of Yoko Thus begins Yoko and Nero s daily quest to improve her quality of sleep for both of their sakes **Chapter 3: Valentine s Day With a Sleep Demon** Dake Maiko,101-01-01 Humans in this country don t take
